WELCOME

The administration and faculty of First Baptist Christian School of Elyria extend a warm welcome to each family represented in our student body. It is our desire to be an extension of your Christian home and to educate your children according to Christian principles, with academic excellence.

Every organization which plans to be successful must operate under a system of guidelines so that its goals may be reached effectively and in an orderly fashion. This handbook attempts to set down the guidelines of First Baptist Christian School. From time to time changes may be necessary for the good of the school or the effectiveness of our testimony for Christ.

Also included are the objectives of our school. Please take time to read the material carefully. It is expected that both parents and students will read it and discuss its contents. We want you to understand what First Baptist Christian School offers you and what we ask in return. If you have any questions about the contents, please call the school office.

In II Peter 3:18, the Apostle Peter exhorts believers to "grow in the grace and knowledge of our Lord Jesus Christ." The awesome task entrusted to our Christian school staff is to realize this goal, achieved in the lives of students. We covet your prayers for this important undertaking.

MISSION & PURPOSE STATEMENT

First Baptist Christian School, as a ministry of First Baptist Church and in an effort to aid Christian parents in training their children, exists to provide a superior academic and Biblically-integrated education, which promotes Christ-like character and prepares students for a life where they can impact their world for Christ.

DESCRIPTION STATEMENT

First Baptist Christian School is a part of the total ministry of First Baptist Church of Elyria, Ohio. Recognizing that all truth is God's truth, the school accepts without apology the Word of God as the foundation for all instruction and learning. The school is open to families of the community who want to have their children trained where Biblical truth is integrated with every area of the curriculum. Jesus Christ is preeminent in every aspect of school life, and students are encouraged to make lifelong commitments to Him and to Christian principles of living. Our school emphasizes love for our country, loyalty to the church, and submission to all God-given authority.

STATEMENT OF FAITH

1. We believe in the Scriptures of the Old and New Testaments as inspired of God, as inerrant in the original writings, and as the supreme and final authority in faith and life. II Timothy 3:16, II Peter 1:21
2. We believe that Jesus Christ was begotten by the Holy Spirit and born of the Virgin Mary, and that He is true God and true man. Isaiah 7:14, John 1:1, John 1:14, John 8:53
3. We believe that the Holy Spirit is a divine person with God the Father and God the Son, is of the same nature, and indwells every born-again believer. John 14:16, John 14:26
4. We accept the Biblical account of creation and believe that man came by instant and direct creation of God and not by evolution. Genesis 1 and 2, Colossians 1:16 and 17, John 1:3, Hebrews 1:2
5. We believe that man was created innocent and that he sinned, incurring physical and spiritual death which is separation from God; thereby all are sinners by nature and by choice. Genesis 1:27, 2:17, 3:6, Romans 5:12
6. We believe in the personality of Satan, that he is the unholy god of this age and the author of all the powers of darkness and is destined to the judgment of an eternal justice in the lake of fire. Matthew 4:1-3, II Corinthians 4:4, Revelation 20:10
7. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a substitutionary sacrifice and that all who believe in Him are justified on the ground of His shed blood and resurrection. Romans 4:25, 1:7, Acts 13:39, I Peter 2:24
8. We believe that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby forever become the children of God. John 1:12, Acts 20:21
9. We believe in the bodily resurrection of the Lord Jesus, in His ascension into Heaven, and in His present ministry there for us as High Priest and Advocate. I Corinthians 15:4, Hebrews 4:14, I John 2:1
10. We believe in "that blessed hope," the personal, premillennial and imminent return of our Lord and Savior, Jesus Christ. Titus 2:13, Philippians 3:20
11. We believe in the bodily resurrection of the just and of the unjust, the everlasting felicity of the saved, and the everlasting conscious suffering of the lost. John 5:28-29
12. We believe in Biblical separation from all worldly practices and in wholehearted devotion to the cause of Christ as the only scriptural basis for a happy and useful Christian life. I John 2:15-17, I Corinthians 6:19, II Corinthians 6:14
13. We believe that marriage is ordained of God as a covenant relationship between one man and one woman for life for the purpose of procreation and sexual pleasure. The marriage relationship is a beautiful picture of the relationship between our Savior and the collective body of believers in Christ known as the Church. Any other definition of or practice of marriage is unbiblical, ungodly, and a perversion of God's divine institution of marriage (Genesis 2: 18-24; Matthew 19:4-6; Romans 1:27, Hebrews 13:4)
14. In light of contemporary confusion over sexual orientation and gender identity, we reaffirm our belief that there are only two "sexes" or genders—male and female. The Bible tells us that "in the beginning, God created them male and female." The Holy Scriptures teach that God is the author of all life, that life begins at conception, and that our Creator biologically and anatomically fashions each human being as either male or female. Perversions of a biblical definition of gender such as, but not limited to, sexual orientation, transgender, multiple genders, and sex change operations, are violations of God's Word, and those that believe in and practice such behavior will personally and corporately face God's judgment. (Genesis 2: 18-24; Matthew 19:4-6; Psalm 139: 13-16; Romans 1:27, Hebrews 13:4)
15. We believe that a local church is a congregation of immersed believers associated by covenant of faith and fellowship of the Gospel, observing the ordinances of Baptism and the Lord's Supper, for the purpose of worship, evangelization, and instruction; that it is scriptural for such churches to cooperate with each other in contending for the faith, for the furthering of the Gospel, and for the training of our children. Acts 2:41-42, I Corinthians 11:2, Ephesians 1:22-23, 4:11, Acts 20:17-28, Colossians 1:18, Ephesians 5:23 and 24, Acts 15:13-18
16. We believe that civil government is of divine appointment for the interest and good order of human society; that those in authority are to be prayed for and conscientiously honored and obeyed, except in things opposed to the will of our Lord Jesus Christ. Romans 13:1-7, II Samuel 23:3, Exodus 18:21-22, Daniel 3:17-18, Matthew 22:21, Acts 4:19-20, 5:20, 23:5

PHILOSOPHY

The educational program and the methods of instruction at First Baptist Christian School are dependent on a Biblical philosophy to provide the viewpoint, general background truth, and principles for interpreting the facts encountered in the study of any subject. We believe that the concepts of a Christian educational philosophy are these:

1. God is the Creator and Sustainer of all things and the Source of all truth.
2. God maintains control over His entire universe.
3. Because of sin, man tends to omit God and thus fails to relate himself and his knowledge to God, Who is the Source of all wisdom.
4. Regeneration is by faith in Jesus Christ. True meanings and values can be ascertained only in the light of His Person, purpose, and work.
5. God has revealed Himself in a general way in His world and universe and in a specific way in the Bible.
6. The home, the church, and the school should complement each other, promoting the student's spiritual, academic, social, and physical growth.
7. The teacher stands in the place of the parent.
8. God has given differing abilities to each student. It is the teacher's responsibility to challenge each child according to his ability and to seek to teach him at his academic level.
9. The Christian is not to be conformed to the world but must recognize his responsibility and his role in life in our democratic society.
10. The student's home, church, and school experience and training should be a preparation for life -- a life of fellowship with God and service to man.
11. The prayer of a righteous person has a powerful effect.

OBJECTIVES

First Baptist Christian School is dedicated to the task of providing an educational program that will meet the individual student's spiritual, mental, physical, social, and emotional needs. Because we believe that all truth is God's truth and that such an educational program must be centered in the Word of God, we hereby set forth these objectives:

1. TO PROVIDE A CHRIST-CENTERED EDUCATIONAL PROGRAM

We believe that the only adequate foundation upon which an educational program can be built is the Word of God, which teaches that Jesus Christ is the center of all truth (Colossians 2:3). We feel that it is necessary to provide a distinctly Christian environment, classes in Biblical studies, and a well-balanced education which views all knowledge in the light of Biblical truth. We have a staff of born again, qualified teachers who are sensitive to the spiritual, educational, and personal needs of youth.

2. TO DEVELOP HIGH SPIRITUAL AND MORAL STANDARDS

We believe it is the purpose of education to bring "into captivity every thought to the obedience of Christ" (II Cor. 10:5). We teach the application of Biblical ethics and standards of morality to every part of life.

3. TO EXCEL IN ACADEMIC STANDARDS

We offer a well-organized and effectively-directed program of academic instruction which strives to meet or exceed the requirements prescribed by state law. We seek to provide educational facilities, equipment, and carefully selected materials to enhance the efficiency and effectiveness of the instructional program. We also provide auxiliary services as we are able to supplement our educational program and to better meet student needs.

4. TO TRAIN THE WHOLE CHILD

- Spiritually

1. To see the necessity of being born again by the Spirit of God by receiving Jesus Christ as personal Savior
2. To realize that growth in the Christian life depends upon fellowship with God through reading the Bible, prayer, and service
3. To understand that God has a purpose and plan for each life
4. To develop the ability to find help from the Scripture.
5. To sense a responsibility for the lost which will result in intelligent witnessing

- Mentally

1. To relate the various subject matter areas with the Truth
2. 2.) To discover and develop individual aptitudes
3. To cultivate powers of critical thinking
4. To learn knowledge and skills required for future study
5. To use effective communication skills
6. To work independently and cooperatively
7. To appreciate the fine arts and develop creative skills

- Socially

1. To manifest fairness, courtesy, kindness, and other Christian graces
2. To share Christian responsibility as a citizen for the welfare of every group to which he/she belongs
3. To develop an understanding of, appreciation of, and tolerance for all men
4. To live in this world and yet not to be of this world
5. To recognize the responsibility to be loyal to Jesus Christ, home, church, and country

- Emotionally

1. To think independently and stand up for personal convictions in the face of pressure
2. To develop aesthetic interests
3. To develop emotional balance and self-discipline based on respect and reverence for God and all God-ordained authority

- Physically

1. To develop a respect for the body as the temple of the Holy Spirit
2. To participate in wholesome physical and mental recreation
3. To learn proper care of the body
4. To experience physical activity and wholesome competition

SCHOOL IDENTITIES

SCHOOL VERSE: "Holding fast the faithful word as he hath been taught..." Titus 1:9

SCHOOL SONG:

"Nothing is Impossible" by Eugene L. Clark
Nothing is impossible when you put your trust in God.
Nothing is impossible when you're trusting in His Word.
Hearken to the voice of God to thee,
"Is there anything too hard for me?"
Then put your trust in God alone
And rest upon His Word.
For everything; oh everything;
Yes, everything is possible with God.

SCHOOL COLORS: Red, White, and Blue

Red represents the blood of Christ which purchased our salvation.
White represents the purity of the Word of God on which we stand.
Blue represents our loyalty to His cause.

RECOMMENDATIONS FOR SUPPORTING YOUR SCHOOL

These recommendations come from a random sampling of experienced Christian school administrators in response to the question, "How can parents be supportive of the school?" There were 29 different suggestions, but these seven were predominant over the other twenty-two. They are presented in order of importance according to the thinking of the administrators. The Bible says that in the multitude of counselors there is safety (Proverbs 24: 6b)

1. **PRAY DAILY FOR THE FACULTY AND STUDENTS.** A major theme in the Word of God is this: God works on behalf of His people when they pray. Things do not happen quickly in the education of a child or of a young person. "For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little and there a little" (Isaiah 28:10). Be faithful and patient in daily prayer support. As you pray to the Father in secret, He will reward you openly (Matthew 6:6). Prayer maximizes character development and learning in the Christian school.
2. **ATTEND SCHOOL FUNCTIONS.** Attendance at school functions teaches your children that their education means a lot to you, for you are giving priority to their school by making the effort to attend its functions. Fathers should take the lead in this, for the father is the head of the family. The achievement of a student is better when he knows that both of his parents love each other, love him and his brothers and sisters, and care deeply about his schooling.
3. **DO VOLUNTEER WORK AT THE SCHOOL.** In addition to this being a positive influence upon the understanding of your children as discussed in point number two, volunteer work brings you into close communication with other parents and with the administration, faculty, and staff. This level of fellowship is a blessing available to each school family. Many opportunities are available through the Parent Teacher Fellowship (PTF), Sabre Athletic Association Booster Club (SAABC), library, and classrooms.
4. **BE ENTHUSIASTIC, SPEAKING WELL OF YOUR SCHOOL.** Your positive attitudes about the school will influence the attitudes of your children toward the school. These attitudes will also be a strong factor in the enrollment of new families. Statistics show that the majority of the new families entering into Christian schools come on the recommendation of parents who already have their children in the school. Your personal testimony about the school, your endorsement, is powerful and can be used by God to bless other families as you speak well of the school to them.
5. **GIVE FINANCIAL HELP BEYOND THE PAYMENT OF TUITION.** Very few schools operate on tuition alone, for that would price many families out of the school. The key is many parents giving faithfully, regularly, and liberally, as God enables. There is blessing in giving to the school beyond tuition. Do this willingly, not grudgingly, for the Lord loves a cheerful giver.
6. **CULTIVATE HONOR AND RESPECT FOR THE ADMINISTRATION, FACULTY, AND STAFF IN THE HEARTS OF YOUR CHILDREN.** Your attitudes toward those who minister to your children are influential in the development of the attitudes of your children. Christian schools will not work if parent and student attitudes are negative toward the Lord's servants.
7. **KEEP GROWING IN YOUR UNDERSTANDING OF THE PHILOSOPHY OF CHRISTIAN SCHOOL EDUCATION.** The primary reason for Christian education is the difference in philosophy. Simply stated, Christian education derives its philosophical underpinnings from the Bible, God's revelation, while secular education rejects the Bible and derives its philosophical underpinnings from many different books, each of which is the reasoning of natural man. Secular humanism is the doctrine of unregenerate man.

Thank you for considering these seven ways to support First Baptist Christian School. Your children will benefit greatly in their Christian education as you do each of these things. The blessing you receive from the school will be full and will not run dry as the days and years go by. As you strengthen your home in Christ, your children will get more out of their education.

APPLICATION AND ENROLLMENT

First Baptist Christian School has been established to fulfill a specific ministry. Thus, as we review application materials, we are looking for a specific type of family to whom we can minister. It is our philosophy that we accept a *family* into the school, rather than just an individual student. We believe that the family members must commit themselves to faithfully living and applying the truths and principles of the Scriptures within their home. Only then is it possible for First Baptist Christian School to work with the family in training their child(ren). A family that does not support the philosophies, policies, and procedures of FBCS will not be allowed to have their child(ren) attend the school.

First Baptist Christian School, as a ministry of First Baptist Church of Elyria, Ohio, is a religious institution providing an education in a distinct Christian environment. Our beliefs and practices are based upon the principles of God's Word as revealed to us in the sixty-six books of the Bible. We believe that our biblical role, as articulated in our mission statement, is to "aid Christian parents in training their children...for a life where they can impact their world for Christ." On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality (e.g., premarital sex, cohabitation, extra-marital sex); homosexual/lesbian acts or unbiblical sexual orientation ; promoting such practices; or otherwise the inability to support the moral principles of the school (Leviticus 20:13a, Romans 1:27, Matthew 19:4-6)

APPLICATION PROCEDURE FOR NEW FAMILY

1. Complete the online Application materials.
2. Complete and submit the Records Release Form.
3. If the student is going into grades 9-12, he/she will need to complete the online student application, which will automatically be available at the end of the parent portion of the application.
4. The administration will review the application(s), the student's previous school records, and references. A student is reviewed and admitted to First Baptist Christian School on the basis of his former record, placement tests, and criteria for admission. Reflections of citizenship, behavioral habits, and standardized test scores from previous schools shall be considered when determining admission. In certain circumstances, the administration may request that bring your child in for testing or for shadowing in the classroom.
5. After the application review is completed, you will be contacted regarding scheduling a family interview. In addition, high school students (9-12) will also be interviewed by the administration before a decision concerning acceptance is made. After the interview, you will be notified if your child has been accepted.

Due to the time it takes to request and obtain records and check references, the application process usually takes several weeks

ENROLLMENT PROCEDURES

Once the student has been accepted, a link for online enrollment will be sent to the parent. Please have your student's medical information available at the time of online enrollment. A Health form (available during the enrollment process) will also need to be submitted to the school.

ADMISSION CRITERIA

First Baptist Christian School is a private institution and, as such, reserves the privilege of establishing and maintaining its own standards for student conduct, dress, cleanliness, and scholarship. The school maintains the right to refuse admittance to anyone it so chooses and to suspend or expel any student who violates the school's standards or other rules of conduct as defined by the administration.

First Baptist Christian School admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. We do not discriminate on the basis of race, color, or national or ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, academics, and athletic and other school administered programs or with respect to employment of faculty and administrative staff.

1. A student is reviewed and admitted to First Baptist Christian School on the basis of his former record, placement tests, and criteria for admission. Reflections of citizenship, behavioral habits, and standardized test scores from previously attended schools shall be considered when admission is determined.
2. Each child is readmitted on a yearly basis with re-enrollment completed before general registration begins. Re-admittance is based on an overall evaluation of the student as to how the school will facilitate his/her educational development.
3. All new students are on probationary status during their first year of attendance at First Baptist Christian School.
4. Each kindergarten child must submit a health form provided by First Baptist Christian School and completed by a physician. First Baptist Christian School shall provide information to all parents regarding the immunization requirements found in the state law, Revised Code 3313.761, and will require adherence to the stipulations therein as a condition of admittance. A second MMR is required before a child may enter 7th grade.
5. We have a deep concern that every Christian child has access to a Christian education; however, we are unable to meet the needs of students with the following:
 - a. Has emotional or disciplinary problems
 - b. Has a court record
 - c. Has a physical handicap which would impair the learning process
 - d. Comes from a non-Christian home—A Christian home is defined as a home where one or both parents have received Jesus Christ as their personal Lord and Savior. (I Cor. 7:14)
 - e. Comes from a home that would not support the type of instruction that would take place at First Baptist Christian School -- The Christian school is not a remedy for parents who are unwilling to fulfill their God-given responsibilities of rearing their children in the home.
6. A parent or parents must subscribe to the philosophy of First Baptist Christian School.
7. Children applying for admission to kindergarten must be five years of age on or before September 30. Any child applying for first grade must be six years of age on or before September 30.
8. FBCS will not accept any junior or senior high student who does not want to attend our school.
9. Only a born again student who gives testimony of his personal salvation will be admitted to First Baptist Christian High School (9-12).
10. No married student will be accepted.

11. Parents agree in writing to the following commitments:

- We hereby invest authority in the school to discipline our child as necessary. We further agree that we will cooperate with and discipline our child in the home as needed. (Proverbs 22:6, 23:13-14; Ephesians 6:1-2; Hebrews 12:6)
- We agree that if our child should become involved in any trouble at school or we disagree with any policy set by the school, we will in no case complain to any other parent, but, in the love of Christ and with prayer, we will register only necessary complaints with the staff member directly involved.
- We understand that assessments will be made to cover any damage to school property (breakage of windows, abuse of books, etc.), accidental or otherwise
- We understand that First Baptist Christian School is a part of the educational ministry of First Baptist Church; however, we understand that there will be no coercion on the part of the administration or staff for children to attend First Baptist Church. We also understand that doctrine taught in the classroom will agree with the position of First Baptist Church and the Statement of Faith of First Baptist Christian School.
- We realize that First Baptist Christian School should not take the place of our child's regular church attendance and understand that our regular attendance at a sound gospel-preaching church is critical to our child's continued enrollment in First Baptist Christian School.
- We promise that, unless providentially hindered, at least one parent shall attend scheduled parent-teacher conferences.
- We give permission, except as specifically listed, for our child to take part in all school activities, including sports and school sponsored trips away from the school premises. Furthermore, in the event our child becomes ill or is injured while under school supervision, we approve of the school authorities' taking the following steps:
 - Contact a parent of the student and follow his/her instructions.
 - In the event neither parent can be reached, FBCS will follow the instructions on the Emergency Medical form.
- We agree to relieve the school board and any of its employees from any liability in connection with these activities and instructions.

12. Approval by the administration or the school committee is required for any exceptions to the above policies.

WITHDRAWAL PROCEDURES

Withdrawals from school must be made through the office. Withdrawals should be reported to the school office at least two (2) days in advance of the official withdrawal date. A student withdrawing from school must return all school materials to the appropriate teacher on his last day of school. Records will be released only if payments are current. When a student is withdrawn after September 15th, for any reason apart from a change in a parent's employment moving them outside a radius of 50 miles from their current location, the parents or guardians are responsible for paying the entire year's tuition since budgets and hiring of teachers are established based on tuition income as calculated by the number of students enrolled at the beginning of each school year.

FINANCIAL INFORMATION

1. A financial fact sheet is available upon request at the financial office.
2. All parents must sign a financial agreement before a student may attend classes. Parents are encouraged to read this agreement carefully before signing it.
3. Parents who do not pay their tuition in full before the start of the school year are required to sign up on the FACTS Management Payment System (FACTS) or obtain approval from the School Committee for alternate arrangements. Parents who are not paying tuition through FACTS must pay by the date specified on the invoice. Payments may be mailed to the school or dropped off at the school office.
4. Lab fees will be charged for some junior high and high school classes.
5. Textbooks will be provided by the school. Matriculation fees cover some consumables. If athletic, choir, or other uniforms are required, the cost will usually be paid by the student.
6. The school does not carry insurance on any student. All students who participate in sports and other extracurricular activities must have insurance which covers injuries that could occur. The school will not be liable for accident or injury.
7. Scholarships are given according to the scholarship schedule outlined by the financial office. Scholarships granted include, but are not limited to, pastor and missionary scholarship, multiple student scholarship, employee scholarship, etc.

CONDITIONS OF THE FINANCIAL AGREEMENT

1. The matriculation fee must be paid in full before a student enters school. If the student is not accepted, the balance will be refunded.
2. If a family is unable to pay tuition in full prior to the beginning of the school year, FBCCS offers two other payment options. Options are semi-annual payments and ten monthly payments, with the first payment due in July prior to the beginning of school.

ADMISSIONS

When a student is enrolled after the first day of school, the amount of tuition charged will be prorated. This is determined by dividing the total tuition for the year by the total number of school days and multiplying by the number of days the student will be enrolled.

WITHDRAWALS

1. See Withdrawal Procedures.
2. The matriculation fee is non-refundable in the case of withdrawal.

OTHER

Parents who pay their tuition through FACTS are subject to the terms and conditions of the FACTS agreement regarding fees for late payment. Parents are encouraged to read the agreement thoroughly when signing up on FACTS. Parents who make payments to the school through special arrangements with the School Committee are subject to any late charges as may apply per the terms of the arrangement.

Some courses and activities require fees which are not included in tuition or matriculation. Book and class fees are to be paid either through the parent's FACTS account (if signed up) or the fees will be invoiced. Book and class fees that remain unpaid by the invoice due date will be charged a \$1.00 processing fee for each subsequent invoice that is sent to the parent until the invoice is paid.

- All grades and credits will be held until accounts are current, and no records will be transferred if money is due the school.
- A \$12.00 fee will be charged for all RETURNED CHECKS.

CHURCH ATTENDANCE

FBCS is an extension of the Christian home. As a ministry of First Baptist Church, we feel the Lord has given us a definite mission and ministry, and that is to aid Christian parents in the training of their children to know who God is and to learn to love and serve Him with their whole heart. The Christian School is not a substitute for the home or church. The school cannot carry out the spiritual training effectively without wholehearted support from the home. We believe that every family in our school should be attending church services on a regular basis, which is at least one service per week. This means that the children as well as the parents are faithful in their church attendance.

We encourage you, as a family, to make your local church a major part of your family's activity. Scripture teaches that church attendance should be a priority, and children will know that the local church is a priority if our families attend on a regular basis. Freedom of worship is a part of the heritage that we have been given and is an opportunity and responsibility to pass along to our children!

SCHOOL HOURS

SCHOOL OFFICE

The school office will be open Monday-Friday from 7:55 a.m. to 4:00 p.m. Parents must stop at the office during school hours instead of going directly to a classroom. The school phone number is 440-458-5185.

BUILDING OPENING

The school building opens at 7:55 a.m. for students to prepare for the school day. All students who must arrive earlier than 7:55 a.m. will be required to go to morning study hall.

Morning study hall will serve as a quiet time for students who must arrive before the building opens. Students will be dismissed from morning study hall at 7:55 a.m. to go to the school office, their lockers, or the classroom.

Students are required to use the southwest doors to enter and leave the building. K4 students should be escorted to class by a parent and may enter the school office doors.

SCHOOL HOURS

School starts at 8:05 a.m. with the building and facilities opening for students at 7:30 a.m. The school day ends at 2:44 p.m. at which time students will be dismissed.

DEPARTURE FROM SCHOOL

Students are expected to depart from school on their bus or be picked up as soon as school is over. Those students involved in activities after school hours must arrange to be picked up promptly. Students are not permitted to wait in the building or gymnasium without adult supervision. All students are required to have adult supervision after school, therefore all students remaining after 3:20 p.m. must report to the school office.

BUILDING CLOSING

The school building and facilities close at 3:30 p.m. at which time students are expected to have departed. If students need to stay longer due to a parent's work schedule or some other extenuating circumstance, special arrangements may be made by contacting the school office. Students involved in extracurricular activities will not be allowed back into the building.

EMERGENCY CLOSING

In case the school must be closed for inclement weather (or any other reason), the announcement will be made over local radio and television stations through the use of a school closing service provider. The following stations are especially useful regarding school closings.

T.V. STATIONS - 3, 5, 8, 19, 43

TWO-HOUR DELAY

In case of inclement weather or another emergency, the school day may be delayed by two hours. If so, the delay will be announced on radio and TV, and school will begin at 10:05 a.m. Dismissal and after school programs will stay the same. K4 and Kindergarten Early Dismissal would be at 12:25, or parents may choose to keep students home for the day.

ATTENDANCE AND ABSENCES

VALID ABSENCES fall into one of two categories as determined by the school.

Excused absences are those recognized by the State of Ohio under school law. They are

1. Personal illness
 2. Illness in immediate family
 3. To assist parents in emergency work
 4. Quarantine
 5. Religious Holiday
 6. Death in immediate family
2. Permitted absences are college trips, seminars, youth retreats, family trips, dental or medical appointments, or any other activity considered to be commensurate with the goals and purposes of this school. Dental or medical appointments need to be handled primarily during non-school hours. Permitted absences of two days or less must be arranged in advance according to the following procedure:
- a. Parents must submit to the school office a written request stating the reason for the absence at least one day in advance.
 - b. The specific dates and/or times of the absence should be stated.
 - c. The student must inform all of his teachers of the impending absence.

The School Committee does not believe that students should be excused, on a regular basis, from school for non-emergency trips. The following applies to non-emergency trips of three days or more:

- a. Students requesting an excused absence must fill out an Absence Request Form in advance.
- b. The form should be signed by an administrator, a parent and each teacher before leaving on vacation. A list of assignments that will be missed will be given to the student. All *assignments* missed during this period must be turned in *within two school days* of returning, or a score of zero will be given. If the student has a *special project* due while he is absent, *the project is to be turned in before he/she leaves*. Getting assignments to the teachers is the *student's* responsibility. *Tests and quizzes* must be made up *within three school days* after returning.
- c. An excused absence will not be given for students who have exceeded or will exceed nine days for the semester or for students who have exceeded or will exceed the maximum sixteen days for the year.
- d. The student must be maintaining at least an overall "C" average.
- e. Family trips, to be excused, may only be taken with the student's parents and/or legal guardian.
- f. Only sophomores, juniors, and seniors who are maintaining at least an overall "C" average will be excused for a college trip.

EXCESSIVE ABSENCES

Excessive absences are detrimental to a student's learning and education. Absences will be considered excessive if the student has more than 9 absences per class per semester. Students exceeding 9 absences (whether excused, permitted, or unexcused) per class for a one semester course or 16 absences (whether excused, permitted, or unexcused) per class for a two semester course will not receive credit for any class work missed during those days of absence unless the school receives a written excuse signed by a medical doctor stating the student was ill.

Absences which are the result of illness, truancy, vacation, or family emergency will be counted in this tally regardless of whether the absences are excused or unexcused. Out of school suspensions, school sponsored activities, and in-school suspensions will not count in this tally.

UNEXCUSED ABSENCES

Absences which do not fall under the excused/permitted categories shall be classified as unexcused absences. Tests, quizzes, homework, and other assignments missed will not be allowed to be made up and will result in a grade of zero for each missed item. Unexcused absences exceeding five school days in the same nine-week grading period may result in failing grades in all courses taken by the student for that grading period.

MANDATORY ATTENDANCE PERIODS

No time off will be permitted on an excused basis, except for illness, during first semester exams or the last ten days of the school year. Routine medical appointments, such as dental/orthodontist appointments, should be avoided during these time periods.

TARDINESS

Students arriving after 8:05 a.m. but before 8:20 a.m. should report to the school office. The student will receive a tardy. Students who report to the school office after 8:20 a.m. will be considered absent for the fraction of the school day missed. The school day will be divided consistent with the class periods.

For example, a student who arrives at the end of the 4th hour class period will be considered absent for half of a day (4 class periods). Likewise, a student who leaves school 2 periods early will be considered a fourth of a day absent. Thus, at the end of a grading period, a student may find his attendance record to read 5.7 days absent.

Tardies will be classified as excused (accident, transportation problems, or extenuating situation) or unexcused (sleep-in, forgot something, etc.). In the case of determining excused and unexcused tardies, the school has the right to make the final decision. All tardy students should bring a note explaining the tardiness to the office when they arrive.

Junior high and high school students arriving after 8:20 a.m. without a written valid excuse will have their tardy considered as a "class cut." Each class cut is considered a detention offense. On the third tardy after 8:20 a.m., the student will receive a Saturday school detention. A "class cut" is considered an unexcused absence and will also fall into the guidelines given in the Attendance and Absence Policy.

EXCESSIVE TARDINESS

Tardiness will be checked quarterly. The following steps will be taken:

Grades K-6

3 tardies will result in a warning (phone call made by school principal).

6 tardies in one semester will result in a parental conference with the school principal.

8 tardies in one semester will result in a one day, out of school suspension and a parental conference with the school principal.

10 tardies in one semester will result in a parental conference with the school administration to consider the student's continued enrollment.

Grades 7-12

3 tardies will result in a detention.

6 tardies in one semester will result in a double detention and a parental conference.

7 tardies in one semester will result in a Saturday School.

8 tardies in one semester will result in a one day, out of school suspension and a parental conference

Note: Excessive tardiness on a continual basis will be grounds for denial of re-enrollment the following year.

READMITTANCE TO CLASS

Immediately upon a student's return from being absent from or tardy to school, a student must go to the school office with a note from his parents which explains the reason for the absence or tardy. "Please excuse _____ for being absent or tardy" is not an acceptable excuse. All notes must state a reason. All students, K-12, must comply with this. The office will then

provide the student with a re-admittance slip. Students who return to class without a re-admittance slip will be sent back to the office for one. A two (2) day grace period will be granted in case a student forgets his note. Failure to submit a note after the grace period will result in the absence being classified as unexcused or a class cut.

EARLY DISMISSAL

In compliance with Ohio Revised Code 3321.07, all students must be in attendance during all periods of school, including examination days.

Early dismissal should be used sparingly and with parental discretion. If a student is to be dismissed from school before regular dismissal time, the following steps must be taken:

1. The student must bring a note to school that morning explaining the reason for the early dismissal and the time he/she is to be dismissed.
2. At early dismissal time, the person who is picking up the student must report to the office to sign the student out. If the student is driving, he/she will need to sign themselves out.
3. If the student returns to school before the end of the day, he must report back to the office to sign in and receive a pass to return to classes. A student who returns to class without a re-admittance slip will be marked tardy and kept in class.

**In case of a divorce or separation, a student will only be released to the parent who has custody unless that parent sends a note with the student giving the other parent permission to remove the student from school.

TRUANCY

Absence without the knowledge and consent of parents and/or school officials is considered truancy. This would include leaving school before the end of the day without permission or staying out of any part, or all, of a scheduled class without permission. A student who is more than ten minutes late to a class may be counted as truant. Truancy is considered an absence with no opportunity to make up work. All missed assignments and tests will result in a zero. Truancy incurs detentions and/or suspensions; a student may be expelled when there are repeated offenses.

ATTENDANCE AND EXTRACURRICULAR ACTIVITIES

Students who are absent (whether excused, permitted, or unexcused) from school for more than half of a school day will not be eligible to participate in extracurricular activities for that particular day. 11:20 a.m. marks the middle of the school day.

ACADEMIC CURRICULUM INFORMATION

First Baptist Christian School is chartered by the State of Ohio in grades K-12. FBCS offers the required academic subjects in the elementary, junior high, and high school. First Baptist Christian School teaches the following subjects at the various levels.

Bible	Art	Language Arts
Mathematics	Computer Science	Sciences
Foreign Language	Social Studies	Music
Health and Physical Education		Home Economics

GRADUATION REQUIREMENTS

GRADUATION

First Baptist Christian School requires all students to meet the state minimum requirements for graduation. In addition, students will be required to have one semester of Bible for each semester of attendance at First Baptist Christian School as well as one semester credit of speech. A unit of credit is usually given for one year's work in a class that meets five days a week. The following required courses will apply to the State of Ohio's minimum, plus First Baptist Christian School's Bible and Speech requirement: English (4 units); mathematics (4 units); social science (3 units); health (.5 unit); physical education (.5 unit); science (3 units); speech (.5 unit); electives (5 units). Beginning with the 2015-2016 school year, a senior project related to a student's interests or vocational pursuit will be part of the graduation requirements.

PROMOTION AND RETENTION

A. General:

Pupils are promoted or retained on the basis of their total preparedness to enter the next grade level and perform satisfactorily. Ability, achievement, and physical and social factors are all taken into consideration. Should a student fail one or more major subject for the year without that failure being made up during the summer with a SCHOOL APPROVED PROGRAM, that student may be retained in his present grade. Absenteeism will be of prime consideration in the decision to retain borderline cases (see Excessive Absences).

Since a single regulation is difficult to set and adhere to, the administration and teachers will meet to discuss individual promotion or retention problems. Each student will be discussed, and a decision will be made by the teachers and administration. This decision will be governed by what the school believes will best serve the individual student. Parents will be notified of any problems concerning promotion or retention, and their input will be considered before the decision is finalized.

B. Junior High/Senior High School

Junior high students who receive F's as final grades in academic subjects will be considered for retention by the administration. Students must have completed the 8th grade year to be classified as freshmen. Other grade classifications are as follows:

Sophomore (grade 10):	5 units of credit completed
Junior (grade 11):	10 units of credit completed
Senior (grade 12):	15 units of credit completed

REPORT CARDS AND PROGRESS REPORTS

PARENT-TEACHER CONFERENCES AND PROGRESS REPORTS

There are four grading periods in the school year. Parent/Teacher conferences will be held for all grades at the end of the first marking period. Throughout the year, additional conferences may be necessary to discuss individual children.

PROGRESS REPORTS

Parents can access Progress Reports from the RenWeb School Management Program. They are available after the 4th week of each quarter.

Parents are urged to consult with teachers first, then the administration, if a question concerning the child's progress arises; however, we do ask you not to confront the teachers at church services or PTF meetings concerning these matters. The administration has instructed the faculty to discuss such matters during school hours or by scheduling an appointment.

REPORT CARDS

Report cards are issued for all grades every nine weeks. Report cards are available online from the RenWeb School Management Program.

GRADING SYSTEM

Our kindergarten through second grade students may receive the following letters to report their academic progress:

O = Outstanding	S = Satisfactory
I S= Improvement Shown	E = Experiencing difficulty
X = Not applicable at this time	

FBCS is on a 4.0 grading scale and students in grades 3 – 12 receive the following grades.

<u>Letter grades</u>	<u>GPA points</u>	<u>Percentages</u>
A	4.0	100 - 95
A-	3.7	94 - 93
B+	3.3	92 - 91
B	3.0	90 - 87
B-	2.7	86 - 85
C+	2.3	84 - 83
C	2.0	82 - 78
C-	1.7	77 - 75
D+	1.3	74 - 73
D	1	72 - 68
D-	.7	67 - 65
F	0	64 or below

KEY TO GRADING SYSTEM: Grades are indicated by letters and pluses (+) and minuses (-).

A	Excellent
B	Good to very good
C	Average
D	Just passing
F	Failing
W	Withdraw with no credit.
I	Incomplete grade (Incomplete grades which extend beyond nine (9) weeks automatically convert into F's).
NC	No Credit

GPA (GRADE POINT AVERAGE) POINTS

Each final grade earned is assigned a GPA point value. These values are used in the calculation of grade point averages (GPA). The GPA points for each letter grade are indicated above. For letter grades with plus signs (+) add .3 of a GPA point. For letter grades with minus signs (-) subtract .3 of a GPA point.

Note: Fractional credit classes (ex. 1/4, 1/8) are given a fractional equivalent of the grade point average (GPA points).

HONOR POINTS

The following courses are awarded honor points: Precalculus, and Physics.

The honor point (.5) is added to the GPA point value for designated academic courses for the purpose of calculating grade point averages (GPA). For example, if a student earns a C+ in one of the designated courses, he would receive 2.3 GPA points plus the honor point for a total of 2.8 GPA points for that course. If a student fails a designated course, they will not receive an honor point.

COLLEGE CREDIT PLUS/CREDIT-IN-ESCROW

First Baptist Christian School currently participates in College Credit Plus (formerly known as Post-Secondary Enrollment Option) provided at area colleges. This dual enrollment opportunity allows students to simultaneously earn high school and college credit. Enrollment information is available through the school guidance office. Students participating in this program are required to complete Bible and speech classes at First Baptist Christian School, as well as mandatory attendance at weekly chapel services.

FINAL GRADES

A student's final course grade for a full year course will consist of the average of both semester grades. A student's final course grade for a one semester course will be the semester grade for that course.

HONORS

GRADUATING HONORS

Valedictorian and salutatorian will be honored from the senior graduating class. The highest grade point average of those who qualify will determine valedictorian. Salutatorian status will be granted to the person with the second highest grade point average of those who qualify. In order to qualify a student must have:

1. Attended First Baptist Christian School at least three (3) semesters
2. A minimum grade point average of 3.0 -- Only work completed at First Baptist Christian School will be considered, with the exception of work completed through PSEO and Credit in Escrow courses taken to directly replace a course offered at FBCS.
3. Valedictorian and Salutatorian honors are calculated on the basis of GPAs earned through the 3rd nine-weeks grading period of the senior year.

HONOR ROLL

Every report period, the honor roll for elementary (3-6) will list those students who meet the requirements listed below:

Honor Roll includes those who have a grade average of 3.70 - 4.3 in academic subjects, including Bible, and no D or F in any subject.

Merit Roll includes those who have a grade average of 3.0 - 3.69 in academic subjects, including Bible, and no D or F in any subject.

The honor roll for students in grades 7 – 9 will list those students who meet the requirements listed below:

Honor Roll includes those who have a grade average of 3.70 – 4.0 in academic subjects, including Bible, and no D or F in any subject.

Merit Roll includes those who have a grade average of 3.0 - 3.69 in academic subjects, including Bible, and no D or F in any subject.

ANNUAL AWARDS

Annual awards are granted to worthy students for exceptional spiritual, academic, athletic, and social achievements. Examples of these are as follows:

A. John Mark Award - In II Timothy 4:11 the Apostle Paul described John Mark as "profitable to me for the ministry." This award is presented each year to a student from each class who has demonstrated spiritual and academic improvement throughout the year.

B. Dependability Award - Dependability is defined as "fulfilling a commitment even when it involves unexpected sacrifice." This award is presented to the students whose involvement in academic, social, and spiritual activities of the school represent this quality.

C. Honors in Academics

Highest Honor is awarded to a student on the Honor Roll for all four grading periods in academic subjects including Bible and no D or F in any subject.

High Honor is the same as above for *three* of the four periods grading periods in academic subjects including Bible and no D or F in any subject.

Honor is awarded to a student on the Merit Roll in academic subjects including Bible and no D or F in any subject for three of four grading periods.

D. Perfect Attendance - This award is presented to those students who have zero (0) absences and zero (0) tardies for the school year. Only students who have attended First Baptist Christian School for the full school year are eligible for this award.

E. Excellent Attendance - This award is presented to those students whose absences total three (3) or less for the school year and zero (0) tardies. Only students who have attended First Baptist Christian School for the full school year are eligible for this award.

F. Royal Blue Award - This athletic award is presented to one male and one female student who 1.) displays a dedication to his/her sport, 2.) strives for the spiritual growth of himself/herself and others, 3.) displays pride in being a student/athlete, 4.) works for the improvement of the school, and 5.) demonstrates quality participation in their sport.

HOMEWORK & EXAMS

Out of class assignments are pertinent to classroom lessons and shall be assigned in reasonable quantities consistent with the abilities of the given group. No homework will be assigned and there will be no play practice or open gym on Wednesday night, so that the students may attend the Wednesday night programs at church with their parents. If you have any questions or comments as to the amount or difficulty of homework, please consult with the classroom teacher. It is the student's responsibility to complete any assigned work, and this discipline will help the student become more responsible in other areas.

Homework will be sent home upon request for those students who are absent two (2) days or more. A one day notice is required before homework will be ready to be picked up.

When a student is absent from school, he will be permitted to have the same number of days to make up the assignments that were missed by the excused absence, up to three (3) days.

Absences of three or more days should follow the procedure for making up work outlined in the Attendance and Absence portion of this handbook.

Homework is given for several purposes:

1. **FOR DRILL** - We believe that most students require solid drilling to master material essential to their educational progress.
2. **FOR PRACTICE** - Following classroom explanation, illustration, and drill on new work, homework is given so that the material will be reinforced.
3. **FOR REMEDIAL ACTIVITY** - As instruction progresses, various weak points in a student's grasp of subject matter become evident. Homework following instruction is given to overcome such difficulties.
4. **SPECIAL PROJECTS** - Book reports, compositions, special research assignments, and projects are some of the activities that may comprise homework.

MAKE-UP WORK

Students are responsible for making arrangements with the instructor for all work to be made up and/or tests to be taken for excused absences. Teachers are available by appointment to give help to students in these cases.

EXAMS

Students in grades seven through twelve will take semester exams in most courses. At the teacher's discretion, individual exemptions from semester exams may be granted.

TESTING

Since First Baptist Christian School is committed to total Christian education, the school has developed a comprehensive testing program in order that the needs of each student might be met. Testing is considered a tool that parents, teachers, counselors, and administration may utilize to help direct, motivate, facilitate, and evaluate the student as we jointly seek to assist the individual in reaching his/her optimum potential in Jesus Christ.

ABILITIES-APTITUDE TESTING

First Baptist Christian School administers the Stanford Achievement Test to students in grades K, 1, 2, 4, 6, and 8. These records will help determine as nearly as possible how the student is performing academically and adjusting to scholastic life.

In order for sound preparation for college entrance testing, all sophomores are required to take the PLAN test. This test is very similar to ACT and allows the student to become familiar with this type of exam. Results of the PLAN test will be available before the end of the second semester.

All juniors have the option to take the Pre-Scholastic Aptitude Test (PSAT). This test is very similar to SAT and allows the student to become familiar with this type of exam. Results of PSAT will be available before the end of the second semester. A fee is required for this test.

COLLEGE ENTRANCE TESTING

Registration packets for both Scholastic Aptitude Test (SAT) and American College Testing (ACT) are available from the guidance department. Since there are several testing dates for both examinations, such dates and times will be posted. The school code for First Baptist Christian School is 362-082. Recommended testing centers for SAT and ACT are Elyria High School and Lorain County Community College. Fees are required for each of these tests.

OHIO GRADUATION TESTS (OGT)

Due to changes in graduation testing requirements by the Ohio Department of Education, the Class of 2017 is the last class required to pass the OGT in order to graduate. All five test sections must be passed to graduate. In the event of failure, tutoring will be required prior to retesting.

END OF COURSE EXAMS

Beginning with the Class of 2018, all students are required to pass the End-of-Course Exams as mandated by the Ohio Department of Education beginning in the Freshman year.

EXTRACURRICULAR ACADEMIC ELIGIBILITY STANDARDS

In a continuing effort to improve the academic standards of our school and our students, the school board has approved the following academic eligibility requirements. These requirements must be met by all students involved in extracurricular activities at First Baptist Christian School. Academics are a priority at First Baptist Christian School, and we believe that they are your foremost concern as you send your child(ren) here to school.

Below are the requirements:

1. Students who wish to be involved in extracurricular activities must demonstrate their commitment by being academically eligible. Extracurricular activities are organizations, clubs, or responsibilities that are school supported, occur on a regular basis, and are designated by the administration as being under the minimum eligibility standards. (Examples: Athletics, Student Council, ministry teams, school aides, school programs, school plays, etc.)
2. These standards are minimums. Certain activities or responsibilities may require higher academic standards to be met or may have slightly different participation standards (example: student council).
3. All students must maintain a grade of D (68%) or better in all of their classes in order to maintain their eligibility.
4. Eligibility will be checked each quarter, which is approximately every nine weeks.
5. Students who become academically ineligible may not participate in extracurricular activities. Athletes may continue to practice at the discretion of their coach, but they may not participate in games or scrimmages.
6. Students who become academically ineligible during the final quarter of the year, will be ineligible in the first quarter of the following school year. Sixth graders are considered to be academically eligible at the beginning of their seventh grade year.

STUDENT CONDUCT

In order to become the disciplined adults that God expects us to be (Eph. 4:14, 15), we must learn to be disciplined in our youth (I Tim. 4:12). To help accomplish this, the following procedures have been adopted and will be implemented at First Baptist Christian School. First Baptist Christian School believes that Christian students should manifest loving obedience to all God-given authority. They should also live consecrated Christian testimonies before the world and other Christians. We believe that the Christian life is meant to be happy and that rules and regulations create a wholesome atmosphere for living and learning. These standards are meant to encourage spiritual development and consecrated living, which will glorify God.

Good discipline is necessary for the welfare of the entire school. The teachers and the administration are responsible to enforce the regulations with love and in accordance with scriptural principles. Full cooperation is expected from every student and parent. If strict adherence to the regulations is not observed, the student may be asked to leave First Baptist Christian School.

Conformity to man-made regulations without a heartfelt desire to behave is of little value. However, conformity to the following standards will be expected of all students, and disciplinary action will be taken for infractions of these standards, school policies, and rules.

Disciplinary measures will meet the offense and may include detentions, extra assignments, corporal punishment, Saturday school, out-of-school suspension, expulsion, or any means considered necessary by the staff, administration, or school committee.

A handbook is not able to contain and specifically state all the do's and don'ts of student conduct. As a Christian school, our desire is to train students to conduct themselves responsibly and with wisdom. It may be that students will receive discipline and/or instruction in areas not specifically stated in the handbook. All students, and in particular junior and senior high students, are expected to be responsible and discern whether their choice of conduct is appropriate.

1. Students should not make excessive noise or run in halls. They should be courteous to guests and other students and respectful to those in authority, esteeming others as better than themselves (Phil. 2:3).
2. Food, candy, and drinks (with the exception of breath mints) are to be consumed only in the lunchroom or specified areas.
3. Because of the unsanitary disposal of gum and the damage to clothing, carpeting, and furniture, no gum chewing will be allowed in the school buildings or on the grounds at any time.
4. The school facilities will be closed at 3:30 p.m. except for those students in extracurricular activities.
5. Possession or use of tobacco, alcohol, illegal drugs, drug paraphernalia, or the appearance thereof will not be tolerated at First Baptist Christian School or by a student off-campus. Any use or possession of such items will result in immediate suspension and probable expulsion.
6. Students must respect the school property and all equipment since this is the Lord's school. Any and all damage by student(s), even if accidental, will be paid for by the student and/or parents.
7. There will be no public display of affection (PDA) at school or at school related functions.
8. Before 7:55 a.m., all students arriving at school are to report immediately and directly to morning study hall.
9. Classroom procedure:
 - a. Students must be on time; there are three minutes between each class period.

- b. Class assignments are to be submitted promptly the period they are due.
 - c. All non-consumable textbooks are to be covered with book covers within one (1) week after they are first received and are to remain covered throughout the year.
 - d. Classes are dismissed by the teachers.
10. Study hall/learning center procedure:
- a. Students must be on time.
 - b. Students must work diligently during study hall.
 - c. Best studying occurs when the atmosphere is quiet; therefore, all study halls will remain quiet to promote maximum study time.
11. Passes:
- a. From the learning center – Students will sign out and obtain a paper pass from the learning center supervisor or class teacher.
 - b. Tardiness -If detained for any reason, when entering late to the next class, students must then present a pass to the teacher or be counted as tardy and kept in class.
 - c. Students are to follow their schedules each day unless an alteration is permitted.
 - d. Passes are always required when a student steps out of his/her regular schedule.
 - e. Three unexcused tardies to class will result in a detention.
 - f. A pass presented to a teacher is considered a request, and teachers may deny pass privileges.
12. Students will respect the rights of other students. Stealing, cheating, fighting, pushing, shoving, opening other students' lockers, or using another's personal items without permission will be considered serious offenses.
13. Throwing of objects such as snowballs, rocks, etc. is not allowed at any time on school property.
14. Attendance at First Baptist Christian School is a privilege. All students are expected to uphold the name of the Lord and the reputation of their parents, church, and school. Students found guilty of immoral or illegal conduct will be expelled.
15. Students will be courteous in speech and action at all times. Swearing, telling dirty stories, and using other language unbecoming a Christian will not be tolerated (Eph. 4:29, Col. 3:8).
16. Stickers, emblems, decals, buttons, etc. which are identified with groups or movements contrary to Christian Biblical standards or would not be supported by First Baptist Christian School, are not to be displayed on autos, books, notebooks, lockers, or clothing.
17. Acts of dishonesty such as cheating, lying, stealing, and plagiarism will not be tolerated. Counseling and/or disciplinary action will be handled by the teacher or administration.
18. Dancing is not permitted at any school related functions.
19. Weapons (guns, knives, etc.), fireworks, firecrackers, matches, flammable or explosive materials, or objects that look like these are not allowed on the school premises. Students who violate this rule may be suspended/expelled from school.

CLASSROOM CONDUCT

Your teachers are deserving of your respect, and they are held accountable for maintaining a positive class atmosphere conducive to quality education. You are expected to be respectful, cooperative, and submissive to the teacher's authority.

1. Students must come to class on time and must be properly prepared with textbooks and writing materials. Three unexcused tardies to class will earn a detention.
2. Anyone dismissed from a class for any reason will be issued a pass. This pass must be in the student's possession at all times when he/she is out of class.
3. Each teacher will establish specific rules for activities in his/her classroom.
4. A teacher's desk, cabinet, bookcase, etc., are regarded as personal property, and students are not to meddle with anything on or in these places without the teacher's permission.
5. Students will not disrupt other class members in any way. Talking to other students will be allowed only with the permission of the teacher.

CELL PHONE POLICY

Cell phones are an excellent source of communications. There is nothing wrong with the use of cell phones as long as they are used properly. At work or at school, there must be policies established for the proper use of them. Cell phones are permitted on our campus so that students can communicate with parents if needed.

The following procedures will be followed by students who choose to carry cell phones, with a violation resulting in the immediate removal of the cell phone from the student. The phone will be returned only to the student's parent.

1. Phones are to stay in the students' mailboxes in the learning center and are not to be carried with student to any class or activity (especially in the restrooms or at lunch) during the school day.
2. Phones are to be turned off or onto airplane mode and only turned on when permission has been given to use them.
3. Students needing to use a cell phone during the school day need to get permission from the administration or the learning center supervisor.
4. Text messaging is not permitted during the school day.
5. If a student is feeling ill and needs to communicate with parents, they may use their cell phone to do so with permission from the administration or the learning center supervisor. Calls must be made in the presence of the FBCS employee granting permission to use the phone.

FBCS DRESS CODE

*See separate dress code document for dress code requirements.

DISCIPLINE POLICIES

If we are to maintain the proper discipline at First Baptist Christian School, then it must be based on the Scripture. Following are a few premises that we should observe as we build toward the best discipline:

1. Christian love is at the heart of all discipline. One side of love that uses correction and chastening is an essential part of firmness in love. Firmness minus love becomes harsh; whereas love without firmness is sentimentality. Both errors produce problems instead of solving them.
2. The responsibility and authority to discipline comes from God. The administration and teachers stand in the place of parents during school hours and have the same God-given authority.
3. All discipline should be administered in such a way that it shows the child his sinful nature and helps him develop self-discipline as he submits to God and the authority over him. Discipline includes both direction and restriction.

We encourage use of the Matthew 18 Principle in handling disagreements. If a student, parent, or teacher is offended by the words or actions of another, as a Christian brother he should go first to him through whom the offense came and share this with him, as stated in Matthew 18:15. If, after consulting together and praying for mutual understanding, there is no reconciliation, then they should agree to go together to counsel with an administrator. Similarly, if there is a disagreement with an administrator and the matter cannot be solved, then the two should make an appointment through the chairman of the school committee to meet with the committee for final disposition of the matter.

Respect for the faculty and staff begins at home. Parents should teach their children that the teacher is to be regarded as a God-appointed guardian during the school day and must be respected and obeyed.

Deliberate disobedience, disrespect, lack of courtesy, cheating, or other behavioral problems will ordinarily be handled by the individual teacher. Recurrent or unusual situations will be referred to the administration. The first concern of discipline is to aid the student in correcting undesirable behavior. Severe or repeated offenses may result in suspension by the administration or expulsion by the school committee.

Disciplinary measures will meet the offense and may include extra assignments, detention, Saturday School, out-of-school suspension, expulsion, or any means considered necessary by the staff, administration, or school committee.

Because discipline is a part of spiritually training a child, it may be necessary for a child to return after the school year is over to serve a detention or suspension.

STUDENT REPORT:

The purpose of a student report is to serve as an intermediate step between a verbal warning and a detention. This provides a student with a written notice for minor infractions of school policies. Student reports are submitted to the principal. When a student has accumulated five (5) student reports, a detention is issued. Student reports are cumulative throughout the school year.

Detentions may still be assigned for infractions without the need of a student report.

DETENTION:

Students at First Baptist Christian School may be kept after school in detention for failure to do homework or for acts of disobedience. Detentions are 60 minutes long (2:55 pm – 3:55 pm) and may consist of working on regular class assignments, extra assignments, or janitorial type work. Parents will be notified of their child's detention via a sealed envelope sent home with the student. The detention form lists the infraction and gives the parent several options for when the student will serve the detention. If the student misses his/her normal ride home, it is the parents' responsibility to arrange for alternative transportation home that day.

Each set of five (5) detentions a student receives will result in an automatic Saturday School being assigned.

SUSPENSION:

Suspension consists of two types: Saturday School and out-of-school suspension (O.S.S.).

SATURDAY SCHOOL:

The purpose of the Saturday School is to replace the in-school-suspension with a discipline that does not negatively affect a student's academics. Students will no longer miss classroom teaching nor will student's grades be affected. A student will serve his/her suspension on a Saturday morning.

Students receiving a Saturday School will report to the school office at 8:00 am. The hours will be from 8:00 to 11:00 a.m. Transportation to and from the school is the parents' responsibility. A letter will be sent home beforehand, informing parents that a Saturday School has been assigned. A fee of \$20 will be charged for each Saturday School served and must be paid prior to serving the Saturday School. Students will work on one or more of the following: academic work assigned by the teacher or administration, extra work/projects assigned by the student's teachers, a Bible assignment/projects that relates to the infraction(s), or work/cleanup projects around campus.

Failure to attend may result in an O.S.S. (out-of-school suspension). Students arriving more than five minutes late for a Saturday School will receive an additional detention. A non-cooperative spirit during the Saturday School will result in another Saturday School being issued.

Number of Saturday Schools served - Action taken:

2 - Student conference with administration and letter to parents

3 - Student conference with administration and parent conference with administration

4 or 5 - Out-of-school suspension up to three days

6 or 7 - Out-of-school suspension and recommendation to school board for expulsion

OUT-OF-SCHOOL SUSPENSION

O.S.S. - An out-of-school suspension may be issued any time the administration deems an offense serious enough to warrant such. An O.S.S. may last for a period of one to ten days. An O.S.S. is recorded as a permanent part of a student's official school record.

Students serving an O.S.S. will receive a 2% grade reduction per day, which is deducted from each course for the current nine weeks grading period. The grade reduction will not exceed 6% for each O.S.S.

PROBATION

Probation is invoked upon a student when he has a serious problem. The probation gives him an opportunity to correct his problem. If he does not improve to a satisfactory level, he will be dismissed or asked to withdraw from the school. Probation is implemented only when the administration considers it a beneficial method to remedy the problem; however, the procedure may be bypassed at the discretion of the administration.

Even though the above and following may not apply, all first year students are considered on probation until their second year of enrollment. This allows FBCS to get to know the student.

REASONS FOR PROBATION:

Academic:

- Insufficient academic progress as determined by the teacher and administration
- Failure of the parents to get recommended professional help for children

Attitude:

- A rebellious spirit which is unchanged after much effort by the staff
- A continued negative attitude and/or bad influence upon the other students

Disciplinary:

- Continued deliberate disobedience
- Committing a serious breach of conduct inside or outside of school which has an adverse effect upon the school's testimony
- Failure of the parents to comply with the disciplinary procedures of the school

EXPULSION

As a last resort, expulsion may be utilized when the student has either grossly violated school policy, has chosen not to respond to disciplinary and behavioral guidelines, or displays a noncompliant attitude. All expulsions are decisions of the school committee. Each student and their parents will have the opportunity to meet with the school committee before any final decision is made.

No child will be readmitted to First Baptist Christian School for one year after expulsion.

AIDS POLICY

Because of the concern of communicable diseases, particularly acquired immune deficiency syndrome (AIDS), FBCS has developed an AIDS policy. A copy of this policy is available upon request at the school office.

ASBESTOS MANAGEMENT PLAN

FBCS has conducted an extensive asbestos survey of all of our buildings. Based on the findings of this inspection, a comprehensive management plan was drafted. This plan details the responsive actions that the school has taken regarding asbestos containing materials found in our buildings. This plan is available for inspection at our offices during normal business hours.

ATHLETICS

First Baptist Christian School wants to glorify God in every aspect of school life. The purpose of our athletic program is to develop Christian character, sportsmanship, cooperation, and strong bodies for the Lord. Students who participate will be expected to live up to these goals and the standards set down in the First Baptist Christian School Athletic Handbook. The school's Athletic Handbook is available to each family and explains the specific details of our sports program.

A physical examination is required annually for those who participate in interscholastic sports. A physical examination form signed by a medical doctor is required before a student may participate in school sponsored athletic practices or games. Please see note on "Insurance" under Financial Information regarding medical insurance.

Parents are urged to support the sports program. Your interest is vital to your child.

First Baptist Christian School abides by the policies and regulations of the Ohio High School Athletic Association and is a member of the Ohio Christian School Athletic Association and the Lake Effect Conference.

Currently, First Baptist Christian School offers its students the opportunity to participate in the following sports at the indicated levels. Students who meet the requirements are eligible to participate.

<u>SEASON</u>	<u>BOYS</u>	<u>GIRLS</u>
Fall	Jr. High Soccer Varsity Soccer Varsity Golf	Jr. High Volleyball Varsity Volleyball Jr. High/Varsity Soccer Varsity Golf
Winter	Jr. High Basketball Varsity Basketball	Jr. High Basketball Varsity Basketball

SABRE ATHLETIC ASSOCIATION BOOSTER CLUB (SAABC)

The SAABC is an organization that includes all parents of our student-athletes. Its primary purpose is to support the athletic program however possible. Some of the major ways they do this is through volunteering to work the gate and concession stand at home games, volunteering to help however necessary for their two major fundraisers, and by attending bi-monthly meetings where, among other things, the needs of the athletic department are discussed. The money raised at the fundraisers helps the athletic department purchase items it may need such as uniforms or equipment. The SAABC also awards two scholarships at the end of the school year known as the "Royal Blue Scholarship." These are given to one male and one female student-athlete who have met certain criteria laid out by the SAABC.

CHAPEL

All students at First Baptist Christian School have the benefit of attending chapel once a week. A variety of speakers such as pastors, assistant pastors, and youth speakers are invited. Chapel is a time for worship and spiritual growth. Students should enter chapel quietly and promptly. Inattentive behavior is not acceptable. Reverence and respect toward chapel speakers and leaders must be displayed at all times. Normal chapel day is Thursday.

CHOIR

Students in both elementary and high school have the opportunity to sing in one of the school choirs. All choir members are expected to abide by the rules set down by the director and administration, including rules governing transportation. The high school choir is often asked to sing at area churches. This is viewed as an important outreach ministry and an excellent experience for the student.

CLASS SCHEDULING

In the second semester of each school year, students will be given the opportunity to schedule their classes for the following year. Because of the scheduling process, students are expected to follow through with their course commitments. A drop deadline will be released for each semester.

If it is determined that a student needs to drop a course, the parent should write a letter or email describing the reason and the change desired. The letter should include the parent's signature if written. The administration will make a decision concerning the request and then notify the student.

After the drop deadline, a student and one parent must have a conference with the teacher and the administration in order to discuss the possibility for dropping a course. This should only apply in situations of extreme illness or other special cases.

DIVORCED OR SEPARATED PARENTS

In the case of a divorce or separation, a student will be released only to the parent who has custody unless that parent sends written permission with the student allowing the other parent to remove the student from school. The rights and privileges for the non-custodial parent are determined by the law of the State of Ohio. Such procedures as are outlined in the law will be followed.

ENGAGEMENT

Seniors may become engaged after Christmas break, with the approval of their parents and the administration.

FUNDRAISING

FBCS' fundraising policy is to limit the school-wide fundraisers to no more than three per year, including the Annual Legacy Fund drive. Fundraising is purposefully kept at a minimum and makes as large an effort as possible to include constituents outside of the parents of the students. The school encourages organizations that help financially support the programs of the school and classes. Funds raised by the student council, individual classes, PTF, SAABC, or other organizations help to provide for the growth of our school. However, any project to raise funds for other organizations must not interfere with a school fundraising project, and must first be approved by the Director of Fundraising. The soliciting of funds for projects unrelated to the school is generally not permitted.

GUIDANCE COUNSELING

Students at First Baptist Christian School have a unique opportunity in that they can receive sound Christian counseling in academic, spiritual, social, and career areas as well as in college selection. Principles of guidance used will have their foundation in the Word of God.

LIBRARY POLICY

1. The library will be open for specified hours each school day. Hours will be posted on door.
2. Books may be signed out for a two-week period and may be renewed for an additional two weeks when the student brings the book to the library and requests renewal.
3. Students may not have more than three books checked out at any one time.
4. Students are not to take any books from the library without having them properly checked out by an aide at the desk. All books are to be returned to the desk or to the office if the library is not open. Books should not be returned to the shelves.
5. Reference materials, particularly encyclopedias, may not be taken from the library. Students wishing to use these materials must obtain passes from teachers to complete that work in the library.
6. A fine per school day will be charged on overdue books. Records will be kept of any overdue books returned and fines not paid, and students will be held responsible for paying the fine.
7. Any book overdue for four weeks will be considered lost, and the student will be expected to pay for it. If the book is later found and returned in good condition, money will be refunded minus the accumulated fine.
8. Report cards will be withheld for overdue books and for unpaid fines.

ELEMENTARY

Elementary classes come to the library on a regular basis with their teachers and are expected to comply with all library rules regarding conduct and use of materials.

JUNIOR HIGH AND HIGH SCHOOL

1. The library may be used to take make up tests and/or quizzes during the hours in which a paraprofessional is available. Passes can be obtained from a subject teacher or the learning center supervisor for the amount of time necessary to complete such work.
2. A student who wants to check out or return a book will be given a limited amount of time.
3. A student may go to the library to read magazines.
4. If students are ever sent to the library to work together on any project, this must be noted on the pass by the teacher. Otherwise, they will be expected to work independently.
5. Students are to sit at tables to do reference work or reading.

6. Librarians have the authority to reprimand and/or send students back to their rooms if the students are misusing library time or creating a disturbance.
7. While in the library, students are expected to maintain the testimony of the Lord and to act in accordance with library rules and the general rules of conduct for the school. Failure to do so will result in restrictions and/or disciplinary action.

BOOK SELECTION

In striving to provide excellence in education in the literary field, the library personnel have adopted the following goals.

1. They will provide the students with a broad base of literary styles.
2. They will prepare college-bound students with the necessary tools to understand different literary and cultural heritages and relate these to their Christian beliefs.
3. They will teach our students to evaluate their reading material using the standards of the Word of God (II Tim. 2:15).
4. They will equip our students with a broad understanding of major world authors, their views, and their philosophies.
5. They will meet God's standards of excellence.
6. They will encourage our students to use scriptural discretion in reading material (Phil. 4:8).

To achieve these goals, the students may be exposed to selections containing questionable language and activities that are denounced in the scriptures. We, therefore, encourage you as parents to become involved with the reading material. Library personnel and/or administration is available to discuss these goals and objectives with you.

LOCKERS

STUDENT LOCKERS

Lockers will be assigned to students in grades 7 through 12. The lockers are property of the school, are provided for student use, and may be checked at any time.

- Each student is assigned a locker. The junior high lockers are smaller than the senior high lockers. The lockers are not equipped with built-in locks. Students may provide their own locks if so desired. A copy of the student's lock combination must be kept on file in the school office. It is the student's responsibility to keep his/her lock combination private.
- Lockers are to be kept neat with no food items or wet items left in them overnight.
- Students are not to decorate the outside of the lockers without permission. Stickers or other items that tend to permanently adhere are not permitted on lockers.
- Lockers are not to be kicked, pounded on, or abused in any way.
- Items left on top of lockers will be removed on Wednesday and Friday evenings. After an initial warning, student reports will be issued for items left on these two nights.
- Inappropriate photos and articles clipped from newspapers, books, or magazines are not permitted on lockers. Stickers, emblems, posters, etc., which identify with groups or movements contrary to Biblical standards or which would not be supported by First Baptist Christian School will not be permitted.
- Students are not to get into another student's locker without permission.

GYM LOCKERS

The above guidelines apply to gym lockers with the following additions.

- Students may not permanently place locks on lockers without the approval of the P.E. teacher or an athletic coach.

LOST AND FOUND

Students who believe they have lost items should check with the office. Items in the Lost and Found will be disposed of at designated times throughout the year. Items such as books and notebooks are usually kept in the office.

LUNCH INFORMATION

Most students bring their own lunch to school. After the second week of school, information will be sent home with the prices of beverages, sandwiches, and snacks that are available to students if they so desire to purchase them.

MEDICAL INFORMATION

CLINIC

The FBCS clinic is unstaffed. We encourage volunteers to serve, especially those who are RN's or LPN's. Band-Aids, ice-packs, and certain medications may be obtained from the school office. We encourage parents to keep children home from school if their children are vomiting, feverish, or show other signs of sickness.

IMMUNIZATION POLICY

It is an Ohio state law that a record of the exact date of immunization of each student be on file in the school office. An immunization exemption form may be filled out for reasons of conscience or religion.

Immunization requirements are as follows: a minimum of four doses of DPT vaccine (a fifth dose required before 7th grade); a minimum of three doses of polio vaccine; one dose each of measles, rubella, and mumps vaccine administered on or after the first birthday (measles, mumps, & rubella or measles and rubella are available as a combined vaccine), a second MMR required before entering 7th grade

MEDICATION POLICY

Whenever possible, parents should provide medication for their children outside of the school hours and encourage their physician's cooperation in this regard. In some cases, however, the administration of medication to a student during school hours may be deemed necessary by a physician. The following procedure **MUST** be followed in order for school personnel to give prescription medication.

1. An authorization slip must be filled out completely and must include the name of the medication, dosage, time of dosage, and possible side effects.
2. The authorization slip must be signed by the parent authorizing school personnel to administer the medication. These slips may be obtained from the school office.
3. This authorization slip must be completed and sent in with the medication. Please send only the amount of medication your child will need. The school is not able to send home medication.
4. The school will only administer prescription medication from the prescription bottle.
5. School personnel can only administer non-prescription (over-the-counter) medication with a parent's explicit consent. This may be provided upon online enrollment or during each occurrence via telephone.

OPEN CAMPUS

Occasionally the school may choose to use an open campus format for the final (year-end) exam days of school. An open campus setting requires student attendance only for the times when they have final exams scheduled; otherwise their whereabouts will be considered the parents' responsibility. If students wish to remain on campus when they are not taking final exams they will be required to attend study hall.

RENWEB

FBCS uses a school management system called RenWeb. RenWeb is an internet-based program that embraces the various needs of administration, staff, teachers, students, and parents. It is a private and secure website that allows parents to see complete information specific to their child, while protecting their child's information from others. This program can be accessed through the school's website: www.fbc-elyria.org/for-parents or through the RenWeb Home App, using the district code FBCS-OH. Parents can view homework, Progress Reports, grades, the school directory, and more.

HIGH SCHOOL RETREAT

Each year FBCS hosts an overnight high school retreat for grades 9-12. This retreat is held within the first few weeks of the school year. The purpose of the retreat is threefold: to be spiritually challenging, to welcome and get to know new students, and to renew old friendships and create bonds. There is a fee charged to the students to cover the cost of this retreat. All students are expected to attend.

PICTURES

Individual and class pictures are taken each school year. A packet containing a class picture and individual pictures of various sizes are available for purchase if so desired. Group pictures, such as teams, clubs, or organizations, are also taken each year and are available for purchase. Even if pictures are not purchased, the student will still be photographed for the Yearbook.

SENIOR TRIP

Seniors are privileged to have the opportunity to go on a senior trip as a part of their educational experience at FBCS. Trips are designed to be a combination of learning experiences and fun activities. It is expected that all seniors go on the trip. The costs of these trips vary, but students are encouraged to begin saving for it early in their high school career. Classes often have fundraisers to allow each student the opportunity to earn money towards the trip.

Senior trips are expected to be within 12 hours of driving, around 600 miles from the school. Senior trips generally occur in the month of May.

STUDENT COUNCIL & CLASS OFFICERS

Students in grades 7 through 12 will vote for and elect Student Council officers. Each class in grades 7-12 will elect a representative. The purpose of the Student Council is to encourage student morale and promote school projects. Student Council officers will include a president, vice-president, secretary, treasurer, and chaplain. Students must have attended FBCS at least one semester before being eligible to be elected to Student Council. The Student Council follows the policies and procedures as outlined in the Student Council constitution.

Class officers may include a president, vice-president, secretary, treasurer, and chaplain. Each class president automatically becomes a member of Student Council. Students must have attended FBCS at least one semester before being eligible to be a class officer. The class officers follow the policies and procedures as outlined in the Student Council constitution.

STUDENT DRIVERS

Permission for licensed students to drive to school is a privilege. Students who drive to school must adhere to the following guidelines or their driving privilege will be revoked.

1. Any student driving to school must fill out a car registration form the first week of school. A form should be filled out for each car driven to school. If a student changes cars throughout the school year, he has one week to fill out a new form. If a student begins driving to school after the beginning of the school year, he/she has one week to fill out a registration form
2. Students must drive slowly (5 mph) at all times while in the parking lot. Spinning of wheels, squealing tires, laying tire tracks, speeding, or any form of reckless driving will not be permitted on or around campus. A fine of \$5.00 will be issued to any student who breaks the above mentioned rules. After two fines have been issued, a third offense will result in the loss of driving privileges for a week.
3. Students are to be seated in their vehicles while in motion. At no time are students allowed to ride outside the car. Students should not be transporting other students without proper permission.
4. Car sound systems must be kept at a low volume and should be appropriate music.
5. Stickers, emblems, decals, etc. which identify with groups or movements contrary to Biblical standards or that would not be supported by First Baptist Christian School are not to be displayed on cars.
6. Students are not permitted to loiter at cars before or after school. When arriving at school, students must promptly enter the building. When dismissed, students must promptly leave in their cars.
7. Students are not permitted to return to their cars during the school day without staff or administration permission. This includes lunch time. Students may not leave campus during the school day except with permission.
8. All student drivers leaving school early must follow the guidelines under Early Dismissal. This includes signing out at the office.

SUPPORTING ORGANIZATIONS

PARENT-TEACHER FELLOWSHIP

The parents and teachers of the First Baptist Christian School, for the purpose of fostering close harmony and Christian fellowship, to accompany our endeavors to educate our children, providing a clear channel of communication between the home and school, and working closely together in accomplishing the objectives of our school, establish the Parent-Teacher Fellowship with a heart and attitude of service to our Lord. The Parent-Teacher Fellowship shall act in accordance with and within the guidelines established by the school committee of First Baptist Christian School.

NAME - The name of this organization shall be the Parent-Teacher Fellowship of First Baptist Christian School, Elyria, Ohio.

PURPOSE - The purpose is to provide a framework in which both parents and teachers, through a mutual understanding of the problems involved in Christian education and the needs of the child, may work together for his/her best interest in developing spiritual, intellectual, physical, and emotional maturity according to Biblical principles.

OBJECTIVES

- To acquaint the parents with the philosophy of Christian education and the curriculum of First Baptist Christian School
- To acquaint both parents and teachers with the importance of recognizing and adequately coping with the emotional, spiritual, and disciplinary needs of the child
- To provide an opportunity for parents and teachers to know and fellowship with each other

MEMBERSHIP - The membership of the PTF of First Baptist Christian School shall consist of the parents of students, teachers, and interested friends.

MEETING - The meetings of the Parent-Teacher Fellowship are held at planned intervals throughout the year.

TRANSCRIPTS

Senior or junior transcripts will be sent to colleges, employers, etc. upon the WRITTEN request of the student. The first copy will be sent free of charge. fee will be required for each set of transcripts sent thereafter.

TRANSPORTATION

The school does not provide transportation services for students; however, bus transportation is provided by some local school districts. It is the responsibility of the parents to call their local school system to make arrangements for bus transportation from the public schools. Local school bus routes are usually published in the newspaper a few days prior to the opening of school. Parents relying on public school bus transportation will be responsible to provide transportation for students on the days when First Baptist Christian School is in session and the public school is not. Parents should request a school calendar from their local school district.

Students who ride public school buses are expected to observe the rules and regulations set down by the school district and drivers.

Students may be asked to help pay for transportation for school related trips. On occasion, First Baptist Christian School may provide transportation to away athletic events. If so, the departure and return time, date, and other conditions will be announced in advance.

VISITATION POLICY

PARENT-TEACHER CONFERENCES

Parents are encouraged to ask questions and talk with teachers concerning their children. It is necessary that parents call or e-mail in advance to arrange a conference with a teacher. Parents should always check in at the office to make sure the teacher is available. Teachers will usually be in their classrooms between 3:00 and 3:20 p.m. in the afternoon.

STUDENT VISITATIONS

Prospective students from other schools who wish to visit during the school day must adhere to the following procedure:

1. A student shadow experience should be scheduled with the Director of Admissions.
2. Visitors must conform to the conduct and dress standards of the school.
3. Visitors should report to the school office as soon as they arrive to be taken to the correct classroom.

Students from other schools who are on the school premises before, during, or after school and have no valid reason for being on the premises will be asked to leave.

FORMER STUDENTS

Former students who wish to visit the school may do so only during lunchtime or after school. Former students need to report to the school office for a visitor's pass.

THE YEARBOOK

Each student will have the opportunity to purchase a yearbook, *The Conquest*, containing a photographic collection of people, events, and special memories from the year. We would appreciate receiving items that might be useful, such as pictures taken by parents at various school activities, and the names of potential advertisers.
