

Parent-Student Handbook 2026-2027

FIRST BAPTIST
CHRISTIAN SCHOOL

WELCOME

The administration and faculty of First Baptist Christian School of Elyria extend a warm welcome to each family represented in our student body. It is our desire to be an extension of your Christian home and to educate your children according to biblical Christian principles and with academic excellence.

Every successful organization must operate under a system of guidelines for its goals to be reached in an effective and orderly fashion. The Parent/Student Handbook was created to outline the guidelines and objectives of First Baptist Christian School of Elyria, Ohio. Please take time to read all the material carefully and discuss it with your child. It is important that you and your child/children understand what the school offers you and what we are asking of you in return. If you have any questions about the contents of this handbook or any of the school's policies or procedures, please call the school office at 440-458-5185 and ask to speak to the appropriate staff member that can address your concerns.

(Note: From time-to-time changes may need to be made to this handbook for both the good of the school and/or for the effectiveness of our Christian testimony.)

In II Peter 3:18, the Apostle Peter exhorts believers to "grow in the grace and knowledge of our Lord Jesus Christ." The awesome task entrusted to the faculty and staff here at FBCS is to accomplish this objective in the lives of our students. We covet your prayers for this important undertaking.

Sincerely,

Mr. Lawrence Nagengast
FBCS School Administrator

AN INTRODUCTION TO FBCS

Mission and Purpose Statement

First Baptist Christian School, as a ministry of First Baptist Church and in an effort to aid Christian parents in training their children, exists to provide a superior academic and biblically integrated education, which promotes Christ-like character and prepares students for a life where they can impact their world for Christ.

Description Statement

First Baptist Christian School is a part of the total ministry of First Baptist Church of Elyria, Ohio. The school accepts without apology the Word of God as the foundation for all instruction and learning. The school is open to families of the community who want to have their children trained where Biblical truth is integrated with every area of the curriculum. Jesus Christ is preeminent in every aspect of school life, and students are encouraged to make lifelong commitments to Him and to Christian principles of living. Our school emphasizes love for our country, loyalty to the church, and submission to all God-given authority.

Statement of Faith

1. We believe in the Scriptures of the Old and New Testaments as inspired of God, as inerrant in the original writings, and as the supreme and final authority in faith and life. II Timothy 3:16, II Peter 1:21
2. We believe that Jesus Christ was begotten by the Holy Spirit and born of the Virgin Mary, and that He is true God and true man. Isaiah 7:14, John 1:1, John 1:14
3. We believe that the Holy Spirit is a divine person with God the Father and God the Son, is of the same nature, and indwells every born-again believer. John 14:16, John 14:26
4. We accept the Biblical account of creation and believe that man came by instant and direct creation of God and not by evolution. Genesis 1 and 2, Colossians 1:16 and 17, John 1:3, Hebrews 1:2
5. We believe that man was created innocent and that he sinned, incurring physical and spiritual death which is separation from God; thereby all are sinners by nature and by choice. Genesis 1:27, 2:17, 3:6, Romans 5:12

6. We believe in the personality of Satan/Lucifer, that he is the unholy god of this age and the author of all the powers of darkness and is destined to the judgment of an eternal justice in the lake of fire. Ezek. 28: 14-18, Revelation 20:10
7. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a substitutionary sacrifice and that all who believe in Him are justified on the ground of His shed blood and resurrection. Acts 13:39, Romans 4:25, 2 Cor. 5:21, Gal. 1:4, I Peter 2:24
8. We believe that all who receive the Lord Jesus Christ by faith are born again of the Holy Spirit and thereby forever become the children of God. John 1:12-13, John 3:5-6
9. We believe in the bodily resurrection of the Lord Jesus, in His ascension into Heaven, and in His present ministry there for us as High Priest and Advocate. I Corinthians 15:4, Hebrews 4:14, I John 2:1
10. We believe in "that blessed hope," the personal, premillennial, and imminent return of our Lord and Savior, Jesus Christ. 1 Thess. 4:17, Titus 2:13, Rev. 1:7
11. We believe in the bodily resurrection of the just and of the unjust, the everlasting felicity of the saved, and the everlasting conscious suffering of the lost. John 5:28-29
12. We believe in Biblical separation from all worldly practices and in wholehearted devotion to the cause of Christ as the only scriptural basis for a joyful and useful Christian life. I John 2:15-17, I Corinthians 6:19, II Corinthians 6:14
13. We believe that marriage is ordained of God as a covenant relationship between one man and one woman for life for the purpose of procreation and sexual pleasure. The marriage relationship is a beautiful picture of the relationship between our Savior and the collective body of believers in Christ known as the Church. Any other definition of or practice of marriage is unbiblical, ungodly, and a perversion of God's divine institution of marriage. Genesis 2:18-24, Matthew 19:4-6, Romans 1:27, Hebrews 13:4
14. In light of contemporary confusion over sexual orientation and gender identity, we reaffirm our belief that there are only two "sexes" or genders—male and female. The Bible tells us that "in the beginning, God created them male and female." The Holy

Scriptures teach that God is the author of all life, that life begins at conception, and that our Creator biologically and anatomically fashions each human being as either male or female. Perversions of a biblical definition of gender such as, but not limited to, sexual orientation, transgender, multiple genders, and sex change operations, are violations of God's Word, and those that believe in and practice such behavior will personally and corporately face God's judgment. (Genesis 2: 18-24; Matthew 19:4-6; Psalm 139: 13-16; Romans 1:27, Hebrews 13:4)

15. We believe that a local church is a congregation of immersed believers associated by covenant of faith and fellowship of the Gospel, observing the ordinances of Baptism and the Lord's Supper, for the purpose of worship, evangelization, and instruction. It is scriptural for such churches to cooperate with each other in contending for the faith, for the furthering of the Gospel, and for the training of our children. Acts 2:41-42, Ephesians 1:22-23, 4:11, Acts 20:17-28, Colossians 1:18, Ephesians 5:23 and 24, Acts 15:13-18
16. We believe that civil government is of divine appointment for the interest and good order of human society; that those in authority are to be prayed for and conscientiously honored and obeyed, except in things opposed to the will of our Lord Jesus Christ. Romans 13:1-7, II Samuel 23:3, Exodus 18:21-22, Daniel 3:17-18, Matthew 22:21, Acts 4:19-20, 5:20, 23:5

Philosophy

The educational program and the methods of instruction at First Baptist Christian School are dependent on a Biblical philosophy to provide the viewpoint, general background truth, and principles for interpreting the facts encountered in the study of any subject. We believe that the concepts of a Christian educational philosophy are as follows:

1. God is the Creator and Sustainer of all things and the Source of all truth.
2. God maintains control over all of Creation and the entire universe.
3. Because of sin, man tends to omit God and thus fails to relate himself and his knowledge to God, Who is the Source of all wisdom.

4. Regeneration is by faith in Jesus Christ. True meanings and values can be ascertained only in the light of His Person, purpose, and work.
5. God has revealed Himself through all He has made, through the Person of Jesus Christ, and through the Bible.
6. The home, the church, and the school should all complement each other, promoting the student's spiritual, academic, social, and physical growth.
7. The teacher stands in the place of the parent.
8. God has given each student different talents and abilities. It is the teacher's responsibility to challenge each child according to his ability and to seek to teach him at his academic level.
9. The Christian is not to be conformed to the world but must recognize his responsibility and his role in life in our democratic society.
10. The student's home, church, and school experience and training should be a preparation for life -- a life of fellowship with God and service to others.
11. The prayer of a righteous person has a powerful effect.

Objectives

First Baptist Christian School is dedicated to the task of providing an educational program that will meet the individual student's spiritual, mental, physical, social, and emotional needs. Because we believe that all truth is God's truth and that such an educational program must be centered in the Word of God, we hereby set forth the following objectives:

1. TO PROVIDE A CHRIST-CENTERED EDUCATIONAL PROGRAM

We believe that the only adequate foundation upon which an educational program can be built is the Word of God, for it teaches that Jesus Christ is the center of all truth (Colossians 2:3). We feel that it is necessary to provide a distinctly Christian environment, classes in Biblical studies, and a well-balanced education which views all knowledge in the light of Biblical truth. We have a staff of born-again, qualified teachers who are sensitive to the spiritual, educational, and personal needs of youth.

2. TO DEVELOP HIGH SPIRITUAL AND MORAL STANDARDS

We believe it is the purpose of education to bring "into captivity every thought to the obedience of Christ" (II Cor. 10:5). We teach the application of Biblical ethics and standards of morality to every part of life.

3. TO EXCEL IN ACADEMIC STANDARDS

We offer a well-organized and effectively directed program of academic instruction which strives to meet or exceed the requirements prescribed by state law. We seek to provide educational facilities, equipment, and carefully selected materials to enhance the efficiency and effectiveness of the instructional program. We also provide auxiliary services as we are able to supplement our educational program and to better meet student needs.

4. TO TRAIN THE WHOLE CHILD

- Spiritually
 1. To see the necessity of being born-again by the Spirit of God by receiving Jesus Christ as their personal Lord and Savior
 2. To realize that growth in the Christian life depends upon fellowship with God and other believers through reading the Bible, prayer, church attendance, and service to others
 3. To understand that God has a purpose and plan for each life
 4. To develop the ability to seek and find help in the Scriptures
 5. To develop a responsibility for and awareness of the lost resulting in a desire to witness for Christ and to share the Gospel
- Mentally
 1. To relate the various subject matter areas with truths found in God's Word
 2. To discover and develop individual aptitudes
 3. To cultivate powers of critical thinking
 4. To learn knowledge and skills required for future study
 5. To use effective communication skills
 6. To work independently and cooperatively
 7. To appreciate the fine arts and develop creative skills
- Socially
 1. To manifest fairness, courtesy, kindness, and other Christian graces
 2. To share Christian responsibility as a citizen for the welfare of every group to which he/she belongs

3. To develop an understanding of, appreciation of, and tolerance for all men
 4. To live in this world and yet not to be of this world (participating in its ungodly ways)
 5. To recognize the responsibility to be loyal to Jesus Christ at home, at church, and in our nation
- Emotionally
 1. To think independently and stand up for personal convictions in the face of pressure
 2. To develop aesthetic interests
 3. To develop emotional balance and self-discipline based on respect and reverence for God and all God-ordained authority
 - Physically
 1. To develop a respect for the body as the temple of the Holy Spirit
 2. To participate in wholesome physical and mental recreation
 3. To learn proper care of the body
 4. To experience physical activity and wholesome competition

General Campus life

Application and Enrollment

First Baptist Christian School has been established to fulfill a specific ministry. Thus, as we review application materials, we are looking for a specific type of family to whom we can minister. It is our philosophy that we accept a *family* into the school, rather than just an individual student. We believe that the family members must commit themselves to faithfully living and applying the truths and principles of the Scriptures within their home. Only then is it possible for First Baptist Christian School to work with the family in training their child(ren). A family that does not support the philosophies, policies, and procedures of FBCS will not be allowed to have their child(ren) attend the school.

First Baptist Christian School, as a ministry of First Baptist Church of Elyria, Ohio, is a religious institution providing an education in a distinct Christian environment. Our beliefs and practices are based upon the principles of God's Word as revealed to us in the sixty-six books of the Bible. We believe that our biblical role, as articulated in our mission statement, is to "aid Christian parents in training their children...for a life where they can impact their world for Christ." On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality (e.g., premarital sex, cohabitation, extra-marital sex); homosexual/lesbian acts or unbiblical sexual orientation; promoting such practices; or otherwise, the inability to support the moral principles of the school (Leviticus 20:13a, Romans 1:27, Matthew 19:4-6).

APPLICATION PROCEDURE FOR NEW FAMILIES

1. Complete the online Application materials.
2. Complete and submit the Records Release Form.
3. If the student is going into grades 9-12, he/she will need to complete the online student application, which will automatically be available at the end of the parent portion of the application.
4. An interview will need to be scheduled. At this time, a set of unofficial records should be brought with the family for the administration to look over. If the interview and records are at the

appropriate grade level along with the family testimony fitting with the mold of an FBCS family, the process will be moved to the Enrollment process.

ENROLLMENT PROCEDURES

Once the student has been accepted, a link for online enrollment will be sent to the parent. Please have your student's medical information available at the time of online enrollment. A Health form (available during the enrollment process) will also need to be submitted to the school.

Admission Criteria

First Baptist Christian School of Elyria is a private institution and, as such, reserves the privilege of establishing and maintaining its own standards for student conduct, dress, cleanliness, and scholarship. The school maintains the right to refuse admittance to anyone it so chooses and to suspend or expel any student who violates the school's standards or other rules of conduct as defined by the administration. The governing board of First Baptist Christian School located at 11400 Lagrange Road, Elyria, OH 44035, has adopted the following racial nondiscriminatory policies. First Baptist Christian School recruits and admits students of any race, color, and national or ethnic origin to all its rights, privileges, programs, and activities generally accorded or made available to students enrolled at the school. In addition, we will not discriminate based on race, color, or national and/or ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, academics, and athletic and other school-administered programs or with respect to employment of faculty and administrative staff. The First Baptist Christian School will not discriminate based on race, color, or ethnic origin in the hiring of its certified or non-certified personnel.

1. A student is reviewed and admitted to First Baptist Christian School based on his former record, placement tests, and criteria for admission. Reflections of citizenship, behavioral habits, and standardized test scores from previously attended schools shall be considered when admission is determined.
2. Each child is readmitted on a yearly basis with re-enrollment completed before general registration begins. Readmittance is based on an overall evaluation of the student as to how the school will facilitate his/her educational development.
3. Each kindergarten child must submit a health form provided by First Baptist Christian School and completed by a physician. First Baptist Christian School shall provide information to all parents regarding the immunization requirements found in the state law, Revised Code 3313.761, and will require adherence to the stipulations therein as a condition of admittance. Preschool, Kindergarten, 7th, and 12th grades are required to received updated immunizations. A parent or parents must subscribe to the philosophy of First Baptist Christian School.

4. Children applying for admission to kindergarten must be five years of age on or before September 30. Any child applying for first grade must be six years of age on or before September 30.
5. FBCS will not accept any junior or senior high student who does not want to attend our school.
6. Only a born-again student who gives testimony of his personal salvation will be admitted to First Baptist Christian High School (9-12).
7. No married student will be accepted.
8. Parents agree in writing to the following commitments:
 - We hereby invest authority in the school to discipline our child as necessary. We further agree that we will cooperate with and discipline our child in the home as needed. (Proverbs 22:6, 23:13-14; Ephesians 6:1-2; Hebrews 12:6)
 - We agree that if our child should become involved in any trouble at school or we disagree with any policy set by the school, we will in no case complain to any other parent, but in the love of Christ and with prayer, we will register only necessary complaints with the staff member directly involved.
 - We understand that assessments will be made to cover any damage to school property (breakage of windows, abuse of books, etc.), accidental or otherwise.
 - We understand that First Baptist Christian School is a part of the educational ministry of First Baptist Church; however, we understand that there will be no coercion on the part of the administration or staff for children to attend First Baptist Church. We also understand that doctrine taught in the classroom will agree with the position of First Baptist Church and the Statement of Faith of First Baptist Christian School.
 - We realize that First Baptist Christian School should not take the place of our child's regular church attendance and understand that our regular attendance at a sound gospel-preaching church is critical to our child's continued enrollment in First Baptist Christian School.

- We promise that, unless providentially hindered, at least one parent shall attend scheduled parent-teacher conferences.
 - We give permission, except as specifically listed, for our child to take part in all school activities, including sports and school-sponsored trips away from the school premises. Furthermore, in the event our child becomes ill or is injured while under school supervision, we approve of the school authorities' taking the following steps:
 - Contact the parent of the student and follow his/her instructions.
 - In the event neither parent can be reached, FBCS will follow the instructions on the Emergency Medical information supplied by the parents in FACTS.
 - We agree to relieve the school board and any of its employees from any liability in connection with these activities and instructions.
9. Approval by the administration or the school committee is required for any exceptions to the above policies.

Withdrawal Procedures

Withdrawals from school must be made through the office. Withdrawals should be reported to the school office at least two (2) days in advance of the official withdrawal date. A student withdrawing from school must return all school materials to the appropriate teacher on his last day of school. Records will be released only if payments are current. When a student is withdrawn after September 15th for first semester, or January 31st for second semester, for any reason apart from a change in a parent's employment moving them outside a radius of 50 miles from their current location. The parents or guardians are responsible for paying a withdrawal fee of \$300.

Financial Information

1. A financial fact sheet is available upon request at the financial office.

2. All parents must sign a financial agreement before a student may attend classes. Parents are encouraged to read this agreement carefully before signing it.
3. Parents who do not pay their tuition in full before the start of the school year are required to sign up on the FACTS Management Payment System (FACTS) or obtain approval from the School Administrator for alternate arrangements. Parents who are not paying tuition through FACTS must pay by the date specified on the invoice. Payments may be mailed to the school or dropped off at the school office.
4. Textbooks will be provided by the school. Enrollment fees cover some consumables. If athletics, choir, or other uniforms are required, the cost will usually be paid by the student.
5. The school does not carry insurance on any student. All students who participate in sports and other extracurricular activities must have insurance that covers injuries that could occur. The school will not be liable for accidents or injury.

CONDITIONS OF THE FINANCIAL INFORMATION

1. The enrollment fee must be paid in full before a student enters school. A student will not be able to start on the first day of school unless this fee is paid.
2. If a family is unable to pay tuition in full prior to the beginning of the school year, FBCS offers two other payment options. Options are semi-annual payments and ten monthly payments, with the first payment due in July prior to the beginning of school.

ADMISSIONS

When a student is enrolled after the first day of school, the amount of tuition charged will be prorated. This is determined by dividing the total tuition for the year by the total number of school days and multiplying it by the number of days the student will be enrolled.

WITHDRAWALS

1. See Withdrawal Procedures.
2. The enrollment fee is non-refundable in the case of withdrawal.

OTHER

Parents who pay their tuition through FACTS are subject to the terms and conditions of the FACTS agreement regarding fees for late payment. Parents are encouraged to read the agreement thoroughly when signing up on FACTS. Parents who make payments to the school through special arrangements with the School Administrator are subject to any late charges as may apply per the terms of the arrangement.

Some courses and activities require fees which are not included in tuition or enrollment. Book and class fees are to be paid either through the parent's FACTS account (if signed up) or the fees will be invoiced. All grades and credits will be held until accounts are current, and no records will be transferred if money is due to the school.

- A \$30.00 fee will be charged for all RETURNED CHECKS.

Church Attendance

FBCS is an extension of the Christian home. As a ministry of First Baptist Church, we feel the Lord has given us a definite mission and ministry, and that is to aid Christian parents in the training of their children to know who God is and to learn to love and serve Him with their whole heart. The Christian school is not a substitute for the home or church. The school cannot carry out spiritual training effectively without wholehearted support from the home. We believe that every family in our school should attend church services on a regular basis, which is at least one service per week. This means that the children as well as the parents are faithful in their church attendance.

We encourage you, as a family, to make your local church a major part of your family's activity. Scripture teaches that church attendance should be a priority, and children will know that the local church is a priority if our families attend on a regular basis. Freedom of worship is an important part of the heritage that we have been given and is an opportunity and responsibility to pass on to our children!

School Hours

SCHOOL OFFICE

The school office will be open Monday-Friday from 7:30 a.m. to 3:30 p.m. Parents must stop at the office during school hours instead of going directly to a classroom. The school phone number is (440) 458-5185.

BUILDING OPENING

The school building opens at 7:30 a.m. for students to prepare for the school day. All students who must arrive earlier than 7:55 a.m. will be required to go to the morning study hall.

Morning study hall will serve as a quiet time for students who must arrive before the building opens. Students will be dismissed from morning study hall at 7:55 a.m. to go to the school office, their lockers, or the classroom. Preschool students should be escorted to class by a parent and may enter the school office doors at 7:45 am.

SCHOOL HOURS

School starts at 8:05 a.m. with the building and facilities opening for students at 7:30 a.m. The school day ends at 2:50 p.m., at which time students will be dismissed.

DEPARTURE FROM SCHOOL

Students are expected to depart from school on their bus or be picked up as soon as school is over. Those students involved in activities after school hours must arrange to be picked up promptly. Students are not permitted to wait in the building or gymnasium without adult supervision. All students are required to have adult supervision after school; therefore all students remaining after 3:15 p.m. must report to Aftercare.

BUILDING CLOSING

The school building and facilities close at 3:30 p.m., at which time students are expected to have departed. If students need to stay longer due to a parent's work schedule or some other extenuating circumstance, special arrangements may be made by contacting the school office. Students involved in extracurricular activities will not be allowed back into the building.

EMERGENCY CLOSING

In case the school must be closed for inclement weather (or any other reason), the announcement will be made over local radio and television stations through the use of a school closing service provider. The following stations are especially useful regarding school closings.

Social Media – First Baptist Christian School Facebook Page

T.V. STATIONS - 3, 5, 8, 19

TWO-HOUR DELAY

In case of inclement weather or another emergency, the school day may be delayed by two hours. If so, the delay will be announced on radio and TV, and school will begin at 10:05 a.m. Dismissal and after school programs will stay the same. Preschool and Kindergarten early dismissal would be at 12:25 pm, or parents may choose to keep students at home for the day.

Attendance and Absences

VALID ABSENCES fall into one of two categories as determined by the school.

Excused absences: Recognized by the State of Ohio under school law.

1. Personal illness
2. Illness in immediate family
3. To assist parents in emergency work
4. Quarantine
5. Religious Holiday
6. Death in immediate family

Permitted absences are college trips, seminars, youth retreats, family trips, dental or medical appointments, or any other activity considered to be commensurate with the goals and purposes of this school. Permitted absences of two days or less must be arranged in advance according to the following procedure:

- a. Parents must submit to the school office a written request stating the reason for the absence at least one day in advance.
- b. The specific dates and/or times of absence should be stated.
- c. The student must inform all his/her teachers of the impending absence.

The following applies to non-emergency trips of two days or more:

- a. An Absence Request Form is required.
- b. The form will be emailed from the FBCS Office via Google Doc and must receive FBCS Administration approval approximately two weeks before the absence. A list of assignments that will be missed will be given to the student. All *assignments, including tests and quizzes* missed during this period, must be turned in *within the number of days missed after they have returned*, or a score of zero will be given. Getting assignments to the teachers is the *student's* responsibility.
- c. An excused absence will not be given for students who have exceeded or will exceed nine days for the semester or for students who have exceeded or will exceed the maximum eighteen days for the year.
- d. Only sophomores, juniors, and seniors will be excused for a college trip.

EXCESSIVE ABSENCES

Excessive absences are detrimental to a student's learning and education. Absences will be considered excessive if the student has more than 9 absences per class per semester. Students exceeding 10 absences (whether excused, permitted, or unexcused) per class for a one-semester course or 18 absences (whether excused, permitted, or unexcused) per class for a two-semester course will not receive credit for any class work missed during those days of absence unless the school receives a written excuse signed by a medical doctor stating the student was ill.

Absences which are the result of illness, truancy, vacation, or family emergency will be counted in this tally regardless of whether the absences are excused or unexcused. Out-of-school suspensions, school-sponsored activities, and in-school suspensions will not count in this tally.

UNEXCUSED ABSENCES

Absences which do not fall under the excused/permitted categories shall be classified as unexcused absences. Tests, quizzes, homework, and other assignments missed can be made up but will have a late percentage attached to the final grade. Unexcused absences exceeding five school days in the same nine-week grading period may result in failing grades in all courses taken by the student for that grading period.

TARDINESS

Students arriving after 8:05 a.m. should report to the school office. The student will receive a tardy. Students who report to the school office after 11:30 a.m. will be considered absent for half of the school day missed. The school day will be divided as half day or full day.

Tardies will be classified as excused (accident, transportation problems, or extenuating situation) or unexcused (sleep-in, forgot something, etc.). In the case of determining excused and unexcused tardies, the school has the right to make the final decision. All parents of tardy students should inform the school office of their tardiness prior to their arrival.

READMITTANCE TO CLASS

Immediately upon a student's return from being absent from or tardy to school, the office must be informed by the parents/guardians of the reason regarding the student's tardiness. "Please excuse for being absent or tardy" is not an acceptable excuse. All notes must state a reason. All students, K-12, must comply with this. The office will then provide the student with a re-admittance slip. Students who return to class without a re-admittance slip will be sent back to the office for one. A two (2) day grace period will be granted in case a student forgets his note. Failure to submit a note after the grace period will result in the absence being classified as unexcused.

EARLY DISMISSAL

In compliance with Ohio Revised Code 3321.07, all students must be in attendance during all periods of school (including examination days).

Early dismissals should be used sparingly and with parental discretion. If a student is to be dismissed from school before regular dismissal time, the following steps must be taken:

1. The parent must inform the school ahead of time explaining the reason for the early dismissal and the time he/she is to be dismissed.
2. At early dismissal time, the person who is picking up the student must report to the office to sign the student out. If the student is driving, he/she will need to sign themselves out.
3. If the student returns to school before the end of the day, he must report back to the office to sign in and receive a pass to return to classes. A student who returns to class without a re-admittance slip will be marked tardy and kept in class.

****In case of a divorce or separation, a student will only be released to the parent who has custody, unless that parent sends a note with the student giving the other parent permission to remove the student from school.**

TRUANCY

Absence without the knowledge and consent of parents and/or school officials is considered truancy. This would include leaving school before the end of the day without permission or staying out of any part, or all, of a scheduled class without permission. A student who is more than ten minutes late to a class may be counted as truant. Truancy is considered an absence with no opportunity to make up work. All missed assignments and tests will result in a zero. Truancy incurs detentions and/or suspensions; a student may be expelled when there are repeated offenses.

ATTENDANCE & EXTRACURRICULAR ACTIVITIES

Students who are absent (whether excused, permitted, or unexcused) from school for more than half of a school day (any time after 11:30 am), will not be eligible to participate in extracurricular activities for that particular day.

Cell Phone Policy

Cell phones have been allowed on our campus for one reason – so that students can communicate with parents if needed. They are not to be used during school hours.

The following procedures will be followed by students who choose to carry cell phones, or they will be banned from carrying a phone to school:

- Phones are to be turned off and placed in the homeroom phone holder at 8:05 am.
- Phones will not be used at any time throughout the day.
- Phones may be turned back on after the bell rings at 2:50 pm.
- If students need to contact their parents and cannot wait until after school, they may ask permission to go to the

office. Students will be allowed to use the office phone to contact parents if deemed necessary.

Any teacher who finds a student not abiding by the cell phone policy takes the phone and turns it into the office. The administration will notify parents of the misuse and the possibility of losing their phone privileges if the misuse continues. The phone will only be returned to the student after notification of the parent by the administration.

Dress Code

In all aspects of our lives, we are ambassadors for God and for His school. Our true image comes from Him and not the standards of the world. While we recognize that true Christianity is a matter of the heart and not the outward appearance, it is important that our appearance is in light of God's Word. The Apostle Peter identifies the real issue when he states that our attractiveness should not be based on what we wear, but on the "hidden person of the heart... even the ornament of a meek and quiet spirit." By our dress standards we represent the feelings and thoughts of our hearts. We should desire to honor God and His Word by our overall appearance, including the types of clothing we wear, and how others see us through it. Apparel that appears to be suggestive or has the trademark of a segment of society that is decidedly ungodly in its influence is not acceptable. Regardless of current standards and tastes of society, we believe that modesty, neatness, appropriateness, and gender distinctiveness are the fundamentals of a dress code which aim to please God by honoring His standards.

Scripture has much to say about our attitudes and how we appear to the world. Several Scripture passages support our rationale behind the dress code:

Romans 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

1 Corinthians 14:40 Let all things be done decently and in order.

Philippians 4:8 Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things

are pure, whatever things are lovely, whatever things are of good report, if there be any virtue, and if there is anything praiseworthy—think on these things.

Students arriving at school dressed inappropriately will not be permitted to attend class until they change clothing, and this may require a parent bring a change of clothes. The administration reserves the right to determine the appropriateness of any article of clothing.

Graduation Requirements

GRADUATION

First Baptist Christian School requires all students to meet the following state minimum requirements for graduation: English (4 units); mathematics (4 units); social science (4 units); science (3 units); health (.5 unit); physical education (.5 unit); electives (5 units). In addition, students will be required to have one semester of Bible for each semester of attendance at First Baptist Christian School as well as one semester credit

of speech, 2 semesters of Fine Arts, and one semester of Financial Literacy.

In order to preserve the biblically integrated curriculum First Baptist Christian School desires for its students, the following courses must be taken at FBCS:

English – at least 3 credits at FBCS

Algebra I, Geometry, and Algebra II/Statistics

Physical Science, Biology, Chemistry/Physics

Geography, U.S. History, World History, and Government/Economics

The remaining elective credits can be fulfilled through classes taken at FBCS or through classes taken at local colleges in conjunction with the College Credit Plus and Credit-in-Escrow programs. See College Credit Plus section for more details.

PROMOTION AND RETENTION

General:

Pupils are promoted or retained on the basis of their total preparedness to enter the next grade level and perform satisfactorily. Ability, achievement, and physical and social factors are all taken into consideration. Should a student fail one or more major subjects for the year, without that failure being made up during the summer with a SCHOOL APPROVED PROGRAM, that student may be retained in his present grade. Absenteeism will be of prime consideration in the decision to retain borderline cases (see Excessive Absences).

Since a “one size fits all” policy is difficult to set and adhere to in these situations, the administration and teachers will meet to discuss the individual student’s promotion or retention problems and a decision will be made by the teachers and administration. This decision will be governed by what the school believes will best serve the individual student. Parents will be notified of any problems concerning promotion or retention, and their input will be considered before the decision is finalized.

Junior High/Senior High School

Junior high students who receive F’s as final grades in academic subjects will be considered for retention by the administration. Students must have completed the 8th grade year to be classified as freshmen. Other grade classifications are as follows:

Sophomore (grade 10): 5 units of credit completed

Junior (grade 11): 10 units of credit completed

Senior (grade 12): 15 units of credit completed

If a student in 7-12th grade fails 2 or more subjects, this will not be allowed to return to FBCS for one full school year.

Academic Information

PARENT-TEACHER CONFERENCES AND PROGRESS REPORTS

There are four grading periods in the school year. Parent/Teacher conferences will be held for all grades at the end of the first marking period. Throughout the year, additional conferences may be necessary to discuss individual children.

WEEKLY GRADE REPORTS

Each Sunday, every parent will receive an email with a progress report. One email per child.

REPORT CARDS

Report cards are issued for all grades every nine weeks. Report cards are available online from the FACTS School Management Program.

Grading System

Our kindergarten through second grade students may receive the following letters to report their academic progress:

O = Outstanding

S = Satisfactory

I S= Improvement Shown

N=Needs Improvement

X = Not

applicable at this time

FBCS is on a 4.0 grading scale and students in grades 3 – 12 receive the following grades.

<u>Letter grades</u>	<u>GPA points</u>	<u>Percentages</u>
A	4.0	90 - 100
B	3.0	80 - 89
C	2.0	70 - 79
D	1.0	60 - 69
F	0	59 or below

LETTER GRADE KEY: Grades are indicated by letters and pluses (+) and minuses (-).

A	Passed
B	Passed
C	Passed
D	Passed
F	Failing
W	Withdraw with no credit.
I	Incomplete grade (Incomplete grades which extend beyond nine (9) weeks automatically convert into F's).
NC	No Credit

GPA (GRADE POINT AVERAGE) POINTS

Each final grade earned is assigned a GPA point value. These values are used in the calculation of grade point averages (GPA). The GPA points for each letter grade are indicated above.

Note: Fractional credit classes (ex. 1/4, 1/8) are given a fractional equivalent of the grade point average (GPA points). GPA will be rounded to the hundredth of a point.

HONOR POINTS

The honor point (.5) is added to the GPA point value for designated academic courses for the purpose of calculating grade point averages (GPA). For example, if a student earns a C in one of the designated courses, he would receive 2.0 GPA points plus the honor point for a total of 2.5 GPA points for that course. If a student fails a designated course, they will not receive an honor point.

COLLEGE CREDIT PLUS/CREDIT-IN-ESCROW

College-ready students at First Baptist Christian School (FBCS) are encouraged to take courses from a local or online college in order to earn high school and college credits simultaneously. Although students must take all FBCS required courses at FBCS students may intentionally satisfy electives at a local or online college. (See Graduation Requirements section for details.) The rationale for taking college courses are varied, but may include one or more of the following: to prepare students for the rigor of college courses, additional

preparation for a college entrance test, being more competitive for college scholarships, additional courses in a specific area of interest, etc.

The following will apply to students taking courses at a local or online college:

- Must be approved in advance by the FBCS administration in order to be included on the student's high school transcript.
- The course title on the high school transcript will be written the same as the college transcript.
- The grade will compute into the grade point average (GPA) using the Honors weighted scale and impact class rank.
- The grade on the college transcript, to include withdrawn courses with an "F", will be the same as the grade on the high school transcript.
- A 2 credit-hour college course will result in .5 credit-hour at FBCS. A 3-4 credit-hour course will result in 1.0 credit-hour at FBCS
- If a student desires to improve a grade in a particular course, both courses will be listed on the transcript; however, the higher grade for the course will count towards the GPA and class rank.
- High school graduation may be jeopardized if a student fails or drops a college course that is also being used for required high school credit.
- Students must schedule classes so they will not miss Bible classes or weekly chapels.

FBCS participates in Ohio's College Credit Plus (CCP) program, which funds college courses for qualifying high school students. See your school counselor for details on how to apply for these funds. Credit-in-Escrow is a similar program, except the student is responsible for his own tuition. Funding from the state varies from year to year. From time to time an FBCS student may have a concern with their local or online course. Most prominent could be with a professor who seems to penalize a student for their religious beliefs. All appeals by students will be considered by the administration and presented to the school committee. Appeals will be considered on the following criteria:

- The written statement by the student outlining the circumstances.

- Timing of when the circumstance requiring an appeal was made to the administration. As potential issues begin to surface, the student must keep the FBCS administration informed. The appeal must be initiated within the school year the course is taken.
- Actions the student took with the College or University to resolve the issue.
- FBCS administration and the school committee reserve the right to communicate with the school and/or the professor about the student's conduct.
- Decisions will be consistent with previous decisions made by the administration and/or school committee.

If you are a student athlete, you must remain eligible in accordance with the rules outlined in this handbook. College Credit Plus courses count toward athletic eligibility in the same way as high school courses. Because FBCS will not have access to college course records for courses taken off campus or online, students may be asked to prove eligibility to the athletic director at the end of each quarter.

FINAL GRADES

A student's final course grade for a full year course will consist of the average of both semester grades. A student's final course grade for a one semester course will be the semester grade for that course.

Honors

GRADUATING HONORS

A Valedictorian and Salutatorian will be honored from the senior graduating class. The highest score determined by GPA and cumulative average will determine valedictorian. Salutatorian status will be granted to the person with the second highest score. In order to qualify a student must have:

1. Attended First Baptist Christian School at least the final two school years (junior and senior year).
2. Only work completed at First Baptist Christian School will be considered, with the exception of work completed through CCP and Credit-in-Escrow courses taken to directly replace a course offered at FBCS.

3. Valedictorian and Salutatorian honors are calculated on the basis of GPAs and grades earned through all four years of high school.

HONOR ROLL

At the end of the year, the honor roll for all 3rd -12th grades will list those students who meet the requirements listed below:

Principals Honor Roll includes those who have all A's for every subject, and each A is a 97% or higher.

A Honor Roll includes those who received an A in every subject on their report card.

A/B Honor Roll includes those who received an A or a B on all subjects on their report card.

Annual Awards

Annual awards are granted to worthy students for exceptional spiritual, academic, athletic, and social achievements. Examples of these are as follows:

A. Outstanding Student Award – This award goes to the student who demonstrated top academics in the class as well as displayed great character throughout the year as well.

B. Bible Character Award- As the award states, this award is given to the students who have been the best example of what the Bible teaches us and also supports what we are trying to instill in our students at FBCS.

C. Honors in Academics - These are awards given by the individual teachers for students who have shown great growth in the subject area or who have been a standout performer in the subject.

D. Perfect Attendance - This award is presented to those students who have zero (0) absences and zero (0) tardies for the school year. Only students who have attended First Baptist Christian School for the entire school year are eligible for this award.

F. Royal Blue Award – This award is presented to one male and one female student who: 1.) displays a dedication to his/her sport/extracurricular activity, 2.) strives for the spiritual growth of himself/herself and others, 3.) displays pride in being a student, 4.) works for the improvement of the school, and 5.) demonstrates quality participation in their activity.

Homework and Exams

Out of class assignments are pertinent to classroom lessons and shall be assigned in reasonable quantities consistent with the abilities of the given group. No homework will be assigned and there will be no play practice or open gym on Wednesday nights, so that the students may attend the Wednesday night programs at church with their parents. If you have any questions or comments as to the amount or difficulty of homework given, please consult with the classroom teacher. It is the student's responsibility to complete any assigned work, and this discipline will help the student become more responsible in other areas.

Homework will be sent home upon request for those students who are absent two (2) days or more.

When a student is absent from school, he will be permitted to have the same number of days to make up the assignments that were missed by the excused absence.

Absences of three or more days should follow the procedure for making up work as outlined in the Attendance and Absence portion of this handbook.

Homework is given for several purposes:

1. FOR DRILL - We believe that most students require solid drilling to master material essential to their educational progress.
2. FOR PRACTICE - Following classroom explanation, illustration, and drill on new work, homework is given so that the material will be reinforced.
3. FOR REMEDIAL ACTIVITY - As instruction progresses, various weak points in a student's grasp of subject matter become evident. Homework given after instruction helps to overcome such difficulties.
4. SPECIAL PROJECTS - Book reports, compositions, special research assignments, and projects are some of the activities that may comprise homework.

MAKE-UP WORK

Students are responsible for making arrangements with the instructor for all work to be made up and/or tests to be taken for excused absences. Teachers are available by appointment to give help to students in these cases.

EXAMS

Students in grades seventh through twelfth will take semester exams in most courses. Individual exemptions from semester exams may be granted at the teacher's discretion.

Testing

Since First Baptist Christian School is committed to total Christian education, the school has developed a comprehensive testing program in order that the needs of each student might be met. Testing is considered a tool that parents, teachers, counselors, and administration may utilize to help direct, motivate, facilitate, and evaluate the student as we jointly seek to assist the individual in reaching his/her optimum potential in Jesus Christ.

ABILITIES-APTITUDE TESTING

First Baptist Christian School administers the IOWA Basic Achievement Test to our students. These records will help determine as nearly as possible how the student is performing academically and adjusting to scholastic life.

All juniors take the Pre-Scholastic Aptitude Test (PSAT). This test is very similar to SAT and allows the student to become familiar with this type of exam. Results of PSAT will be available before the end of the second semester. A fee is required for this test.

COLLEGE ENTRANCE TESTING

Registration information for both the Scholastic Aptitude Test (SAT) and the American College Test (ACT) are available from the guidance department. Since there are multiple testing dates for both examinations, the FBCS Testing Coordinator will notify the students of the testing dates and registration deadlines. The school code for First Baptist Christian School is 362-082. Recommended testing centers for SAT and ACT are Elyria High School and Lorain County Community College. Fees are required for each of these tests.

END OF COURSE EXAMS

Beginning with the Class of 2018, all students are required to pass the End-of-Course Exams or one of the alternative pathways to graduation in order to receive a diploma.

Extracurricular Academic Eligibility Standards

In a continuing effort to improve the academic standards of our school and our students, the school board has approved the following academic eligibility requirements. These requirements must be met by all students involved in extracurricular activities at First Baptist Christian School. Academics are a priority at First Baptist Christian School, and we believe that they are one of the most important reasons for sending your child(ren) to FBCS.

Below are the requirements:

1. Students who wish to be involved in extracurricular activities must demonstrate their commitment by being academically eligible. Extracurricular activities include organizations, clubs, or responsibilities that are school supported, occur on a regular basis, and are designated by the administration as being under the minimum eligibility standards. (Examples: Athletics, Student Council, ministry teams, school aides, school programs, school plays, etc.)
2. These standards are minimums. Certain activities or responsibilities may require higher academic standards to be met or may have slightly different participation standards (example: student council).
3. All students must maintain a grade of D (60) or better in all of their classes in order to maintain their eligibility.
4. Eligibility will be checked each quarter, which is approximately every nine weeks.
5. Students who become academically ineligible may not participate in extracurricular activities. Athletes may continue to practice at the discretion of their coach, but they may not participate in games or scrimmages.
6. Students who become academically ineligible during the final quarter of the year will be ineligible in the first quarter of the

following school year. Sixth graders are considered to be academically eligible at the beginning of their seventh-grade year.

Intervention Services

First Baptist Christian provides intervention specialists and speech pathologists for students who have special needs. With limited services available, we prioritize the needs of current students before accepting new students into the school. Once a parent or teacher identifies a need, we work with Keystone School District to evaluate students and set up appropriate educational plans.

Jon Peterson Scholarship

If a student qualifies for intervention services, Keystone School District will write an evaluation team report (ETR) and the student's local school district will write an individualized education plan (IEP) for them. These students will then be eligible to apply for the Jon Peterson Scholarship through the state of Ohio.

First Baptist Christian School provides intervention in an inclusive setting in the general education classroom and in small group instruction in accordance with the student's IEP. Specially designed instruction can include direct skill instruction through scaffolding, modeling, guided practice, individual practice with corrective feedback, conferencing, etc.

Quarterly progress reports will be provided to parents to document student progress toward meeting the goals of their IEP.

Discipline at FBCS

Student Conduct

In order to become the disciplined adults that God expects us to be (Eph. 4:14, 15), we must learn to be disciplined in our youth (I Tim. 4:12). To help accomplish this, the following procedures have been adopted and will be implemented at First Baptist Christian School. First Baptist Christian School believes that Christian students should manifest loving obedience to all God-given authority. Their lives should be consecrated Christian testimonies to unbelievers and other Christians. We believe that the Christian life is meant to be filled with joy and that rules and regulations create a wholesome atmosphere for living and learning. These standards are meant to encourage spiritual development and consecrated living, which will glorify God.

Good discipline is necessary for the welfare of the entire school. The teachers and the administration are responsible for enforcing the regulations with love and in accordance with scriptural principles. Full cooperation is expected from every student and parent. If strict adherence to the regulations is not observed, the student may be asked to leave First Baptist Christian School.

Conformity to man-made regulations without a heartfelt desire to behave is of little value. However, conformity to the following standards will be expected of all students, and disciplinary action will be taken for infractions of the school's standards, policies, and rules.

Disciplinary measures will meet the offense and may include demerits, detentions, extra assignments, out-of-school suspensions, expulsion, or any means considered necessary by the staff, administration, or school committee.

A handbook is not able to contain and specifically state all the do's and don'ts of student conduct. As a Christian school, our desire is to train students to conduct themselves responsibly and with wisdom. It may be that students will receive discipline and/or instruction in areas not specifically stated in the handbook. All students, and in particular junior and senior high students, are expected to be responsible and discern whether their choice of conduct is appropriate or inappropriate.

1. Students should not make excessive noise or run in halls. They should be courteous to guests and other students, respectful to those in authority, and esteem others as better than themselves (Phil. 2:3).
2. Food, candy, and drinks (with the exception of breath mints) are to be consumed only in the lunchroom or specified areas.
3. Because of the unsanitary disposal of gum and the damage to clothing, carpeting, and furniture, no gum chewing will be allowed in the school buildings or on the grounds at any time.
4. The school facilities will be closed at 3:30 p.m. except for those students in extracurricular activities.
5. Possession or use of tobacco, alcohol, marijuana, illegal drugs, drug paraphernalia, or the appearance thereof will not be tolerated at First Baptist Christian School or by a student off-campus. Any use or possession of such items will result in immediate suspension and probable expulsion.
6. Students must respect the school property and all equipment since this is the Lord's school. Any and all damage by student(s), even if accidental, will be paid for by the student and/or parents.
7. There will be no public display of affection (PDA) at school or at school-related functions.
8. Before 7:55 a.m., all students arriving at school are to report immediately and directly to the school chapel.
9. Classroom procedure:
 - a. Students must be on time; there are five (5) minutes between each class period.

Classroom Ethics

Students are expected to be attentive in every class and respectful to every staff member. Talking, reading, studying other materials, writing notes and sleeping in class are inappropriate and will be addressed by each classroom teacher.

In an academic setting it is appropriate for students to raise their hands and wait to be acknowledged before speaking in class. Disruptive behavior (like calling out) is never appropriate.

Students may have a water bottle in the classroom buildings, but all other beverages, food, gum and candy are not permitted, unless directed by the teacher.

Cheating in any form is not allowed. Examples include, but are not limited to, the following:

- Copying from another student's test or assignment – or allowing another student to copy one's work.
- Receiving or giving unauthorized help with graded work.
- Unauthorized use of notes or other helps on a test or assignment.
- Unauthorized use of any electronic or recording device during a test (cell phone, tablet, etc.).
- Changing one's answers or another student's answers on a quiz or assignment during the grading process or after it has been graded.
- Reporting false information about the completion of an assignment.
- Plagiarism (the intentional or unintentional use to any degree of the ideas or words of one's source material without proper acknowledgment).
- Consulting teacher's editions or teacher's test keys.
- Using AI to complete work or to make large corrections to a student's work.

When cheating occurs, the student(s) involved will be required to re-do the assignment or re-take the test in order to receive partial credit. Cheating will be documented as a disciplinary issue as well. Teachers will notify parents of any incident of cheating involving their student.

PRESCHOOL-6TH GRADE DISCIPLINE

In general, elementary discipline will be handled as follows:

- The teacher addresses the behavior within the context of his/her individual classroom policies and notifies the parents.
- If the behavior continues, the teacher will involve the principal, as needed.
- The principal will meet with the parents and the teacher if the issue continues to be unresolved.

A child may be asked to withdraw for the following reasons:

- Ongoing behavior that is disruptive to the educational quality of the classroom.
- Action toward others, whether verbal or physical, that is characterized by deliberate hurtfulness.

7TH-12TH GRADE DISCIPLINE

The discipline system in the 7th-12th grades can only be effective with cooperation on many levels: teachers, parents, counselors, administration, and students are all a part of a coordinated effort to provide a safe, well-ordered learning environment. Although a few rules are based on absolute moral truth found in the Bible, most are simply guidelines to aid in the operation of a complex and diverse educational institution. Scripture states that “*whom the Lord loveth, he correcteth; even as a father the son in whom he delighteth*” (Prov. 3:12). It is our love for our students that motivates us to correct and guide them to true wisdom. We pray that each one will understand that “*the fear of the Lord is the beginning of wisdom*” (Prov. 9:10).

Most discipline in the 7th-12th grades is handled by the individual teachers within the classroom context. We have instituted a basic record-keeping program to help our teachers and parents keep track of growing discipline concerns. The numbers used are a guideline as we seek to help each student. Listed below are some of the most common discipline offenses. When an issue is documented in FACTS, an automatic email will be sent to parents to help keep you informed. When there is a range of demerits listed, the Administration will determine the final amount based on the severity of the offense, response of the student and if there has been a similar previous issue.

Total	Action	Description

50	Detention with Principal	The student will meet with the principal within a week of reaching 50 demerits.

Please note demerits are tallied by semester. Students who have less than 50 demerits first semester will be reviewed for up to 50 merits.

Detention Hall Details

The purposes of a detention are to give a student a warning that current behavior or direction must be changed and to provide extended time to listen and counsel the student. Detention will be issued during lunch/break. The teacher will notify the students and parents of the required detention time. During detention, a teacher or principal will talk to each student about why he/she is there, giving Biblical counsel and appropriate assignments. Students are not to miss detention for lunch time activities (sports, music lessons, clubs, etc.).

Probation Details

Students identified by the administration as having issues with behavior, academics or attitude may be placed on the respective probation. The purpose of probation is to provide a higher level of intervention and accountability. Required weekly meetings with a counselor ensure a student on probation receives the personal attention and help needed. The principal will schedule a meeting with the parents and student to explain the terms of probation. A copy of a Probation Contract detailing the probation signed by parents and student will be kept in the student's file. The principal will determine the length and conditions of each student's probation period.

The Administration may recommend that a student not return to FBCS if their overall attitude is not positive towards the philosophy of the school, even if their demerit level is not over 100.

Suspension Details

The purpose of suspending a student is to communicate the urgency of his/her changing in order to continue at FBCS. They have lost the privilege to attend school for the appropriate number of days. There are three levels of suspension, progressing in severity from one day to three days. Students may receive a suspension by either accumulating demerits to reach a threshold or by issuance from the principal for a special situation. All days of suspension will be served out of school. Days of suspension are considered excused and students may not participate in any extracurricular practices or contests on the day of a suspension (if no game is played on the day of the suspension, then they must sit out the next game on the schedule).

Academic work may be completed without penalty if turned in the day a student returns from suspension.

Students must meet with the principal first thing in the morning the day they return to school after a suspension.

CHILD ABUSE POLICY

In accordance with Ohio Revised Code, Title 21, Chapter 2151, Section 421, First Baptist Christian School is “required to report suspected child abuse.” FBCS will adhere to the following protocol:

- Any teacher who has reasonable cause to suspect that a child is being abused or neglected will report the issue to the principal.
- The principal will speak to the child.
- If either information or suspicious bruising, etc., require further action, parents will be notified that an obligatory call is being made to Ohio CPS (Child Protective Services), and a meeting will be set up with the parents.

BULLYING, HARASSMENT AND INTIMIDATION POLICY

FBCS maintains the policy that all students should be allowed to learn in an educational environment free from harassment of any nature – verbal,

physical, sexual, racial or otherwise. Such harassment will not be tolerated and should be reported to FBCS administration immediately.

Students who bully, harass or intimidate are subject to discipline, including demerits, conduct warning, suspension, expulsion and referral to the appropriate authorities where they may risk arrest and/or prosecution.

Bullying, harassment and intimidation are evidenced by repeated physical, verbal or emotional abuse towards a victim that produces fear, harm or damage. Harassment may include but is not limited to sexual or racial abuse. Bullying, harassment and intimidation may take various forms:

Verbal (name calling, put downs, racist remarks, teasing, threats, spreading rumors, sending inappropriate [violent, sexual, malicious, etc.] notes, pictures, cyberbullying or messaging) Physical (pushing, hitting, shoving, biting, hair pulling, scratching, spitting, tripping, damaging or stealing the victim's property, locking a person in a room, making rude gestures, initiating or forcing inappropriate touching, etc.)

Psychological (acts that instill a sense of fear or anxiety, etc.); Or any act that insults or demeans a person in such a way as to cause distress, reluctance to attend school, a decline in work standards or problem behaviors.

Students or parents should report suspected acts of bullying, harassment or intimidation to an appropriate school official. In turn, all faculty and school personnel shall report or refer all suspected acts of bullying, harassment or intimidation to the appropriate principal who will designate an appropriate staff member to conduct a thorough investigation. The principal will respond with appropriate measures and take appropriate disciplinary action consistent with the school's policy and procedure for discipline. All reports will be handled with discretion.

If the acts of bullying rise to the level of criminal offense, the violating student(s) will be referred to the proper authorities and risk arrest.

Bullying Definition:

- An Imbalance of Power: Children and teens who bully use their power – such as physical strength, access to embarrassing information, or popularity – to control or harm others.
- Repetition: bullying behaviors happen more than once.

Types of Bullying:

- Verbal bullying is saying or writing mean things.
 - Teasing
 - Name-calling
 - Inappropriate sexual comments
 - Taunting
 - Threatening to cause harm
- Social bullying involves hurting someone’s reputation or relationships.
 - Leaving someone out on purpose
 - Telling other students not to be friends with someone
 - Spreading rumors about someone
 - Embarrassing someone in public
- Physical bullying involves hurting a person’s body or possessions.
 - Hitting/kicking/pinching, etc.
 - Spitting
 - Tripping/pushing

 - Can be posted anonymously and distributed quickly to a very wide audience

Deleting inappropriate or harassing messages, texts and pictures is difficult after they have been posted or sent.

Miscellaneous

Athletics

First Baptist Christian School desires to glorify God in every aspect of school life. The purpose of our athletic program is to develop Christian character, sportsmanship, cooperation, and strong bodies for the Lord. Students who participate in athletics will be expected to live up to these goals and the standards set down in the First Baptist Christian School Athletic Handbook. The school's Athletic Handbook is available to each family and explains the specific details of our sports program.

A physical examination is required annually for those who participate in interscholastic sports. A physical examination form signed by a medical doctor is required before a student may participate in school sponsored athletic practices or games. Please see note on "Insurance" under Financial Information regarding medical insurance.

Parents are urged to support the sports program. Your interest is vital to your child.

First Baptist Christian School abides by the policies and regulations of the Ohio High School Athletic Association and is a member of the Ohio Christian School Athletic Association (OCSAA) and the Lake Effect Conference (LEC).

Currently, First Baptist Christian School offers its students the opportunity to participate in the following sports at the indicated levels. Students who meet the requirements are eligible to participate.

Fall Sports:

- Jr High and Varsity Soccer
- Jr. High, JV, and Varsity Volleyball
- Varsity Golf

Winter Sports:

- Jr. High, Varsity Basketball

Spring Sports:

- Varsity Volleyball

Chapel

All students at First Baptist Christian School have the benefit of attending chapel each week. A variety of speakers such as pastors, assistant pastors, and youth speakers are invited. Chapel is a time for worship and spiritual

growth. Students should enter chapel quietly and promptly. Inattentive behavior is not acceptable. Reverence and respect toward chapel speakers and leaders must be displayed at all times. 7th -12th will have chapel on Mondays and Fridays. K-6th will attend on Tuesdays.

Class Scheduling

In the second semester of each school year, students will be given the opportunity to schedule their classes for the following year. Because of the scheduling process, students are expected to follow through with their course commitments. A drop/add deadline will be released for each semester.

If it is determined that a student needs to drop a course, the parent should write a letter or email describing the reason and the change desired. The letter should include the parent's signature if written. The administration will make a decision concerning the request and then notify the student.

After the drop/add deadline, a student and one parent must have a conference with the teacher and the administration in order to discuss the possibility for dropping a course. This should only apply in situations of extreme illness or other special cases.

Divorced or Separated Parents

In the case of a divorce or separation, a student will be released only to the parent who has custody unless that parent sends written permission with the student allowing the other parent to remove the student from school. The rights and privileges for the non-custodial parent are determined by the law of the State of Ohio. Such procedures as are outlined in the law will be followed.

Facts

FBCS uses a school management system called FACTS. FACTS is an internet-based program that supports the various needs of administration, staff, teachers, students, and parents. It is a private and secure website that allows parents to see complete information specific to their child, while protecting their child's information from others. This program can be accessed by clicking on the "Family Portal" link at the top of the school's website, or through the RenWeb Home App, using the district code FBCS-

OH. Parents can view homework, Progress Reports, grades, the school directory, and more.

Fundraising

FBCS' fundraising policy is to limit the school-wide fundraisers to no more than three per year, including the Annual Legacy Fund drive. Fundraising is purposefully kept at a minimum and makes as large an effort as possible to include constituents outside of the parents of the students.

The school encourages organizations that help financially support the programs of the school and classes. Funds raised by the student council, individual classes, PTF, or other organizations help to provide for the growth of our school. However, any project to raise funds for other organizations must not interfere with a school fundraising project and must first be approved by the School Administrator. The soliciting of funds for projects unrelated to the school is generally not permitted.

Guidance Counseling

Students at First Baptist Christian School have a unique opportunity in that they can receive sound Christian counseling in academic, spiritual, social, and career areas as well as in college selection. Principles of guidance used will have their foundation in the Word of God.

High School Retreat

Each year FBCS hosts a 2-night high school retreat for grades 9-12. This retreat is held within the first few weeks of the school year. The purpose of the retreat is threefold: to be spiritually challenging, to welcome and get to know new students, and to renew old friendships and create bonds. All students are expected to attend.

Library Policy

1. The library will be open during specified hours when volunteer staffing is available.

2. Books may be signed out for a two-week period and may be renewed for an additional two weeks when the student brings the book to the library and requests renewal.
3. Students may not have more than three books checked out at any one time.
4. Students are not to take any books from the library without having them properly checked out by an aide at the desk. All books are to be returned to the desk or to the office if the library is not open. Books should not be returned to the shelves.
5. Reference materials, particularly encyclopedias, may not be taken from the library. Students wishing to use these materials must obtain passes from teachers to complete that work in the library.
6. A fine per school day will be charged on overdue books. Records will be kept of any overdue books returned and fines not paid, and students will be held responsible for paying the fine.
7. Any book overdue for four weeks will be considered lost, and the student will be expected to pay for it. If the book is later found and returned in good condition, money will be refunded minus the accumulated fine.
8. Report cards will be withheld for overdue books and for unpaid fines.

ELEMENTARY

Elementary classes come to the library on a regular basis with their teachers and are expected to comply with all library rules regarding conduct and use of materials.

JUNIOR HIGH AND HIGH SCHOOL

1. Passes can be obtained from a subject teacher or the learning center supervisor for the amount of time necessary to complete such work.
2. A student who wants to check out or return a book will be given a limited amount of time.
3. If students are ever sent to the library to work together on any project, this must be noted on the pass by the teacher. Otherwise, they will be expected to work independently.
4. Students are to sit at tables to do reference work or reading.
5. Librarians have the authority to reprimand and/or send students back to their rooms if the students are misusing library time or creating a disturbance.

6. While in the library, students are expected to maintain the testimony of the Lord and to act in accordance with library rules and the general rules of conduct for the school. Failure to do so will result in restrictions and/or disciplinary action.

BOOK SELECTION

In striving to provide excellence in education in the literary field, the library personnel have adopted the following goals.

1. They will provide the students with a broad base of literary styles.
2. They will prepare college-bound students with the necessary tools to understand different literary and cultural heritages and relate these to their Christian beliefs.
3. They will teach our students to evaluate their reading material using the standards of the Word of God (II Tim. 2:15).
4. They will equip our students with a broad understanding of major world authors, their views, and their philosophies.
5. They will meet God's standards of excellence.
6. They will encourage our students to use scriptural discretion in reading material (Phil. 4:8).

To achieve these goals, the students may be exposed to selections containing questionable language and activities that are denounced in the scriptures. We, therefore, encourage you as parents to become involved with the reading material. Library personnel and/or administration is available to discuss these goals and objectives with you.

Lockers

STUDENT LOCKERS

Lockers will be assigned to students in grades 7 through 12. The lockers are the property of the school, are provided for student use, and may be checked at any time.

- Each student is assigned a locker. The lockers are not equipped with built-in locks. Students may provide their own locks if so desired. A copy of the student's lock combination must be kept on file in the school office. It is the student's responsibility to keep his/her lock combination private.
- Lockers are to be kept neat with no food items or wet items left in them overnight.

- Students are not to decorate the outside of the lockers without permission. Stickers or other items that tend to permanently adhere are not permitted on lockers.
- Lockers are not to be kicked, pounded on, or abused in any way.
- Inappropriate photos and articles clipped from newspapers, books, or magazines are not permitted on lockers.
- Students are not to get into another student's locker without permission.

Lost and Found

Students who believe they have lost items should check with the office. Items in the Lost and Found will be disposed of at designated times throughout the year. Items such as books and notebooks are usually kept in the office.

Lunch Information

Most students bring their own lunch to school. After the second week of school, information will be sent home with the prices of beverages, sandwiches, and snacks that are available to students if they so desire to purchase them. If a student does not have a lunch, they will go to the office and be given a lunch. The cost will be charged to the students FACTS account.

Medical Information

IMMUNIZATION POLICY

It is an Ohio state law that a record of the exact date of immunization of each student be on file in the school office. An immunization exemption form may be filled out for reasons of conscience or religion. A complete list of required immunizations may be obtained from the school office or the school nurse.

MEDICATION POLICY

Whenever possible, parents should provide medication for their children outside of the school hours and encourage their physician's cooperation in this regard. In some cases, however, the administration of medication to a student during school hours may be deemed necessary by a physician. The

following procedure **MUST** be followed in order for school personnel to give prescription medication.

1. An authorization slip must be filled out completely and must include the name of the medication, dosage, time of dosage, and possible side effects.
2. The authorization slip must be signed by the parent authorizing school personnel to administer the medication. These slips may be obtained from the school office.
3. This authorization slip must be completed and sent in with the medication. Please send only the amount of medication your child will need. The school is not able to send home medication.
4. The school will only administer prescription medication from the prescription bottle.
5. School personnel can only administer non-prescription (over-the-counter) medication with a parent's explicit consent. This may be provided upon online enrollment or during each occurrence via telephone.

Symptoms of Contagious Illness

If a child has a contagious illness that requires antibiotics, he/she must be treated for at least 24 hours before returning to school. A doctor's note stating when the child is able to return to school would be very helpful in these circumstances as well.

A child should not attend school if he/she manifests any of the following symptoms:

- *Fever of 100 degrees or more (A child must be fever free for 24 hours before returning to school.)
- *Vomiting more than once or in addition to any other symptoms listed
- *Diarrhea

- *Stiff neck with fever
- *Redness of the eye combined with obvious discharge, matted eyelashes, burning and itching

Those who are permitted to view an individual student's records are: School personnel, parent/guardian of a minor child, the student who is 18 years of age or older, officials of other schools to which the student transfers. All others are denied access unless they have a subpoena or written permission of the parent(s)/guardian(s) of a minor student.

Senior Trip

Seniors are privileged to have the opportunity to go on a senior trip as a part of their educational experience at FBCS. Trips are designed to be a combination of learning experiences and fun activities. It is expected that all seniors go on the trip. The costs of these trips vary, but students are encouraged to begin saving for it early in their high school career. Classes often have fundraisers to allow each student the opportunity to earn money towards the trip. The senior trip normally takes place in the month of May.

Student Council and Class Officers

Students in grades 7-12 will vote for and elect Student Council officers. Each class in grades 7-12 will elect a representative. The purpose of the Student Council is to encourage student morale and promote school projects. Student Council officers will include a president, vice-president, secretary, treasurer, and chaplain. Students must have attended FBCS at least one semester before being eligible to be elected to Student Council. The Student Council follows the policies and procedures as outlined in the Student Council constitution.

class officers follow the policies and procedures as outlined in the Student Council constitution.

Student Drivers

Permission for licensed students to drive to school is a privilege. Students who drive to school must adhere to the following guidelines, or their driving privilege will be revoked.

1. Any student driving to school must fill out a car registration form the first week of school. A form should be filled out for each car driven to school. If a student changes cars throughout the school year, he has one week to fill out a new form. If a student begins driving to school after the beginning of the school year, he/she has one week to fill out a registration form.
2. Students must drive slowly (5 mph) at all times while in the parking lot. Spinning of wheels, squealing tires, laying tire tracks, speeding, or any form of reckless driving will not be permitted on or around campus. A fine of \$5.00 will be issued to any student who breaks the above-mentioned rules. After two fines have been issued, a third offense will result in the loss of driving privileges for a week.

6. All student drivers leaving school early must follow the guidelines under Early Dismissal. This includes signing out at the office.

Transcripts

Senior or junior transcripts will be sent to colleges, employers, etc. upon the WRITTEN request of the student.

Transportation

The school does not provide transportation services for students; however, bus transportation is provided by some local school districts. It is the responsibility of the parents to call their local school system to make arrangements for bus transportation from the public schools. Parents relying on public school bus transportation will be responsible to provide transportation for students on the days when First Baptist Christian School is in session and the public school is not. Parents should request a school calendar from their local school district.

Students who ride public school buses are expected to observe the rules and regulations set down by the school district and drivers.

Students may be asked to help pay for transportation for school related trips. On occasion, First Baptist Christian School may provide transportation to away athletic events held away from the school. If so, the departure and return time, date, and other conditions will be announced in advance.

Visitor Policy

PARENT-TEACHER CONFERENCES

Parents are encouraged to ask questions and talk with teachers concerning their children. It is necessary that parents call or e-mail in advance to arrange a conference with a teacher. Parents should always check in at the office to make sure the teacher is available. Teachers will usually be in their classrooms between 3:00 and 3:20 p.m. in the afternoon.

STUDENT VISITORS

Prospective students from other schools who wish to visit during the school day must adhere to the following procedure:

1. A student shadow experience should be scheduled with the Director of Admissions.
2. Visitors are encouraged to conform to the conduct and dress standards of the school.
3. Visitors should report to the school office as soon as they arrive to be taken to the correct classroom.

Students who are not part of FBCS and have no valid reason to be on the school's premises before, during, or after school will be asked to leave.

FORMER STUDENTS

Former students who wish to visit the school may do so only during lunchtime or after the school day and will need to report to the school office for a visitor's pass.

Yearbook

Each student will have the opportunity to purchase a yearbook, *The Conquest*, containing a photographic collection of people, events, and special memories from the year. We would appreciate receiving items that might be useful, such as pictures taken by parents at various school activities, and the names of potential advertisers.
